Course instructor

Rajesh Sengamedu has been practicing yoga, pranayama since 30+ years and has been a yoga teacher since the last five years. He has taught more than 300 colleagues, friends & family members to achieve flexibility of the body, improve posture and beat stress. He has an active yoga blog, followed by over 640 people, where he writes about his personal experiences and shares his thoughts on how yoga helps us to lead happy & stress free lives.

Rajesh's philosophy combines slow yoga movements and breathing, emphasizing mindfulness and body awareness. His style is a combination of BKS Iyengar + Sivananda Yoga and Bihar School of Yoga, Munger.

He actively blogs at <http://harnessingyourpotential.com>
