This calendar provides auspicious times for various activities like starting business, buying various things, joining new jobs, matrimonial, births, closing deals and various day to day activities. It is always advised to consult your family priest or astrologer for muhūrthas for the above and important samskāras like weddings, upanayanam, sīmantam etc. Since rāhukālam is not counted as a dosha in astrology, it is not considered for calculating auspicious times in this calendar. It is advised to observe rāhukālam timings for the watchful.

Panchānga (Almanac) Calendar – 2014

Panchāngam: Panchāngam provides five basic elements of astrology, *Tithi* (lunar day or time taken by moon to move 12 degrees), *vaara* (a day from sunrise to sunrise), *Nakshtra* (the Zodiac constellation in which the moon is found on particular day), *yoga* (half-day) and *karana* (angle between sun & moon). These are the main aspects calculated according to the Solar, Lunar and the Earth positions. These five elements play an important role in calculating the *muhurthas* (auspicious days) for any Hindu rituals. There are *three* prevalent methods of calculation for Panchāngam used in different parts of India. *Souramanam* (Solar calendar - prevalent in Kerala and Tamilnadu), *Chandramanam* (lunar Calendar - prevalent in Andhra, Karnataka, Maharashtra, and other states of North India), *Baarhaspatyamaana* (Jupiterian calendar -which is said to be prevalent in North India).

Panchāngam in India and US: The lunar movements calculate Tithi and Nakshtra, the main angas of Panchāngam. When one Tithi or Nakshatram begins and ends, it happens at the same instance all over the world, which is called the *Universal time*. Based on the time zones, the Tithi and Nakshatram will begin/end at different local timings in different parts of the world. Since India has a little variation in terms of sunrise/sunset, Panchāngam computed for one area of the country is generally applicable to the other parts of the country as well. But when it comes to other parts of the world, same universal time should be translated into the corresponding local time in terms of the longitude and latitude. As North America's PST is 13 ½ hours past Indian Standard Time, it is not appropriate to use the calendar, prepared for Indian local time. Keeping these aspects in mind, our astrologers and scholars prepared Panchāngam calculated for our local time, i.e. PST & PDT. In the current Calendar we have put all efforts to provide as many details as possible. For further details like Muhurthas, please consult our scholars, personally or through email. Daily use of this calendar helps everyone to understand and monitor the prevailing planetary forces of the day. Accuracy of the above mentioned Panchāngam attributes depending upon Moon's motion are more crucial for the reliability of Panchāngam. Because Moon is the fastest among all the heavenly entities shown in traditional Panchāngas, Tithi, Nakshatra, Rasi, Yoga, and Karana depend on Moon's motion. There are three popular meanings of the term Panchāngam. Vedic astrology meaning is "five attributes" of the day. The five attributes are:

- Tithi:** Ending Moment (EM) of elongation of the Moon, the lunar day, the angular relationship between Sun and Moon (True Moon minus True Sun). One Tithi equals 12 degree difference between Moon and Sun.
- Nakshatra:** EM of asterism of the day, that is, the stellar mansion in which Moon is located for an observer on Earth. One Nakshatra equals 13 degrees: 20 minutes. There are 27 Nakshatra in 360 degrees.
- Yoga:** EM of the angular relationship between Sun and Moon (True Moon plus True Sun). One Yoga equals 13 degrees:20 minutes. There are 27 Yogas in 360 degrees.
- Karana:** EM of half of a Tithi. One Karana equals 6 degree difference between Moon and Sun.
- Rasi:** The zodiac signs or rasi - EM of the sidereal sign of the zodiac for the Moon.

Tithi: The tithi is the longitude of the Moon minus that of the Sun. First tithi (Prathama) begins when tithi is 0° and ends when it is 12°; 12° to 24° is dvitiya, 24° to 36° is Tritiya etc. 168° to 180° is Poornima, 180° to 192° is Dark fortnight Prathama 192° to 204° is Dvitiya.etc. 348° to 360° is Amāvāsya. So, there are 30 tithis -15 are called Suddha (Shukla) Paksha (Bright fortnight or waxing phase) the other 15 Bahula (Krishna) Paksha (Dark fortnight or waning phase). The tithi of a day is usually taken to be the tithi current at sunrise on that day. Since the moment of the sunrise is not the same at all places it is to be noted that occasionally a tithi current at sunrise at one place may not be current at sunrise at another place. It is also possible for a particular tithi to be current at sunrise on two successive days. So when two successive days have the same tithi associated with them, the 1st day is called Tridina. It is also likely that a tithi may begin after sunrise and end before the next sunrise. In such a case a tithi is skipped over and that day is called AVAMA. The concept of good timing is provided by this calendar and one can take advantage of auspicious moments by avoiding when the creative forces of this planetary system are on the wane.

गजतुरग सहस्रं गोकुलं भूमिदानम्
कनकरजत पात्रं मेदिनी सागरान्तम् ।
उभयकुल पवित्रं कोटिकन्या प्रदानम्
न भवति समतुल्यं अन्नदानः समानः ॥

Krishna Yajurvedam says,
अन्नं न निन्द्यात् ।
अन्नं बहु कुर्वीत ।
अन्नं न परिचक्षीत ।
अन्नं प्राणमपानमाहुः ।

ANNADANAM is a sacred activity. In Hinduism, there is no better puja and ritual than feeding hungry living beings.

ANNADANAM is **MAHADANAM** i.e. the greatest donation in Hindu religion and is an essential part of Sanatana Dharma tradition. There are numerous stories in Hindu scriptures that extol the glory of Annadanam – prominent being Goddess Parvati appearing as Goddess Annapurnaeshwari and feeding Shiva.

ANNAM PARA BRAHMA SWARUPAM - Food supports the body to attain Dharma, Artha, Kama and Moksha. Donors of Annadanam are considered as donors of Pranadanam. The person, who participates in this sacred Annadanam, will be blessed by divine Gods. It is said that glory, strength and fame will be acquired in Trilokas by Annadanam. The donor of Annadanam will get first entry in the heaven. Annadanam is performed for redemption of sins, to attain piety and to get speedy recovery from illness. The glory of family and holiness of a temple increases with each Annadanam. Annadanam can be performed on any auspicious occasions such as festivals, weekly abhishekams, in memory of your beloved ones or in celebration of your beloved ones.

Please avail the opportunity to perform Annadanam at your Sri Satyanarayana Swami Temple.

Details of Annadanam:

- During regular days (Laghu Prasadam) - \$151 (may have multiple sponsors)
- During special occasions
 - More than 500 people - \$1116 (one or two grand sponsors)
 - Below 500 people - \$501 (one or two grand sponsors)

A Message from the Founder, Chairman and Chief Priest of VEDA

I would like to extend my heartfelt and prosperous wishes for the New Year 2014 ahead to all the devotees of VEDA, in the bay area as well as from all parts of the country. Our vision and original plan for the year 2013 were fulfilled with Prana Pratishtapana being a grand success with the help of all the dedicated devotees and the grace of Lord Sri Satyanaryana Swamy. Standing at the heart of the bay area, I feel that the Milpitas City has now transformed into “Melpitha Nagaram”, which is equal to Sri Chakra Peetham (bhaavana). I would request all of you to come to the temple to get blessings of Swamy and participate in the Ekantha Seva puja that is conducted every day at 9pm. **संवत्सरं दीक्षितो भवति** - If you can take the deeksha for one full year and attend the Ekantha Seva having Aishwarya Teertham every day, it will yield to a prosperous year to the entire family. **मासं दीक्षितो भवति** - You can also take the deeksha at least for one month and get similar results for a month as well. The benefit of taking the Aishwarya Teertham can be summarized as **सन्मार्गेण सत्सङ्कल्पेन सत्साम्प्रदायेन भगवदनुग्रहेण भगवदप्रेरणया यद् लभ्यते तद्वित्तम् इति द्रव्य शुद्धिः** | The wealth that is accumulated through the truthful way of life, with good thoughts, in a traditional way, with the grace of Swamy, with the direction from your believed Devathas will be cleansed from all the impurities and will become pure and pious.

The temple has become a great platform to local artists, like dancing, singing, language learning, spiritual classes, yoga classes, meditation classes, and many local organizations. Lord Satanarayana Swamy’s blessings will always be there with local organizations like Silicon Andhra, BATA, Tamil Manram, Kannada Kuta, Bay Area Vasavi Foundation (Sakhi), etc. In addition, we have been conducting Vedam classes and Durga Saptasati classes on every Wednesday evening at 8pm from several years. I express my humble gratitude to past president Sri Jagadish Babu Pasumarthy and also extend my wishes to the current president Sri Krishna Viswanatham and office bearers. Hard work, commitment and dedication shown by the temple president with the support from executive committee and working committee members and many volunteers were instrumental in developing the temple and helping it grow day by day. I also extend my gratitude towards the group of volunteers who are taking care of flowers decoration and making garlands at the temple.

This calendar provides vital and important details like Tithi, Varam, Nakshatram, Varjyam, Rahukalam & Durmuhurtam required for us in our daily life and for observing our rituals as well. In addition, we also provided auspicious days and timings like excellent and average. Devotees while looking for an auspicious time are advised to omit any applicable Rahukalam, Varjyam and Durmuhurtham for that day.

While thanking all the devotees for all their unwavering effort and generous support extended so far for this noble cause, I would also request and sincerely pray that all the devotees will extend similar support for all our future projects such as Phase 2 of the temple construction, which includes Shikharam for all deities. We now have six priests serving the VEDA temple, Jagadish Sharma, Nagendra Sharma, Sivarama Sharma, Mrutyunjaya Sharma, Anjaneya Kumar, and Phani Raja Kumar who are instrumental in temple’s success with their knowledge, excellent work, co-operation and coordination. I also convey my heartfelt wishes to Dr. Srinivas Vadrevu and family, who helped with the calendar preparation with dedication. I pray to Lord Sri Satyanaryana Swamy to provide blessings to above all. At the end, I would request you to please let me know by email if you see any mistakes or omissions in this calendar. We will make all efforts to communicate the corrections to all the Devotees.

A Message from the VEDA Temple President

Dear Devotees,

On behalf of the VEDA committees, I wish you all a very happy new year and look forward to a fruitful 2014. Since its inception, VEDA has grown over the years into a well-recognized institution, catering to religious, spiritual, and cultural needs and spreading awareness of *Sanatana Dharma* in the Bay Area. I feel privileged to serve this venerable institution for a divine cause as President of VEDA.

Sri Satyanarayana Swamy Devasthanam (SSSD) had a monumental 2013. The first phase of construction of the *Garbhagudi* for SSSD started on January 2, 2013. I served as the President of the Construction Committee, an opportunity for which I am grateful. With significant leadership, support, and contributions from VEDA committees, volunteers, and devotees, we completed the majority of the construction in a record time of five months for the *Prana Pratishta*. This highly attended program provided us with the most divine and unique experience of our lives. After the *Prana Pratishta*, day-to-day operations of SSSD immediately resumed in our new temple complex, and the new executive committee commenced duties. Our initial goals were to quickly operationalize the facility, to ensure the sanctity of the religious services, and to provide a safe, serene, and clean environment for devotees. We strove to make the facility fully functional and to provide an efficient work environment for the priests, and we took quick actions to improve priest welfare.

As a sign of auspicious start to temple operations, the temple hosted a talk on *Devi Bhagavatam* by Sri Samavedam Shanmukha Sarma, *Ashtavadhanam* and *Srimad Bhagavata Saptaham* by Sri Vaddiparti Padmakar, and a weeklong *Bhagavad Geeta* camp by HH Sri Chinna Jeeyar Swami. New programs such as weekly *abhishekams* for all deities and enhanced temple puja services were introduced. Other notable activities with growing participation were *Ganapthi Navarathri* and *Sarad Navarathri* celebrations and the ever-popular *Karthika Masa Deeksha*. I am happy to announce that we received formal approvals to hire two more priests to address the increasing demand by the devotee community for on- and off-site priest services from VEDA.

The executive committee formally launched Phase II of the construction program to address the remaining functional and aesthetic needs of SSSD. This includes the construction of the outer *sikharam* for the *Rama Satyanarayan Swamy* sanctum and inner *sikharams* for the Shiva, Vinayaka, Karthikeya, Durga, Saraswathi and Kanyaka Parameswari sanctums. The *sikharam* project also includes completing all *sthapthi*-related work for the outer walls of all sanctums. In addition, we will install a semi-commercial kitchen, replace the aging roof, and improve landscaping. We also launched the *abharanam* program to procure *abharanas* and silverware for all deities and sanctums. These programs are structured to allow devotees to fund the cost with their generous contributions, at various levels, with satisfaction of participating in a divine cause.

As we look forward to serving VEDA and the devotee community, we want to ensure our temple sustains as an ongoing institution with revenues generated through religious services, *hundi* collections, and sponsorship programs such as floral and *annadanam* activities. We also plan to complete Phase II of SSSD's development with minimal debt burden on VEDA while fulfilling financial obligations to institutions and, more importantly, to those devotees who stepped forward to help VEDA at times of need. We aim for an efficient financial structure with clear visibility, responsibility, accountability, and controls.

On behalf of VEDA, I assure you that upholding our divine institution's beliefs and ensuring devotee satisfaction is our paramount endeavor. I look forward to hearing from you and of your contributions to VEDA as we continue on this journey together.

With best wishes on behalf of the VEDA committees,

Krishna Viswanadham

President, VEDA

Preface for the Calendar 2014

Year after year, for the last 7 years, the temple's unique calendar has been emerging as an integral part of devotees' *dinacharya*. Albert Einstein proved to the world that the three dimensions of space and the 4th dimension of time are inseparable. The physical existence of the three dimensions of our body and mind are incomplete without the context of time. Time has some most powerful, divine properties, realizing which will have a great impact on the three dimensions of our physical existence. These properties are not too difficult to comprehend, but we still fail to see them because of the abstract nature of time. Instead, we get obsessed with the more perceptible three dimensions of our physical body.

Fortunately, religion helps here. Hinduism is full of deep knowledge that reveals itself only to the analyzing mind that's in constant quest for truth. Truth is a matter of time. No lie can hide from time. As said in Bhagavad Gita, time is God Himself, who is the absolute truth. Truth is pure, which is beautiful (*Satyam, Sivam, Sundaram*). There is no death to Siva even when he drinks poison. Even Siva's own power in Bhasmasura's hands could not destroy Siva. That's the power of truth, purity, and inner beauty: *Satyam, Sivam, Sundaram*. The purity that loves even Bhasmasura; the truth that is accepted even when it is poison; the inner beauty that is conspicuous even when covered with ashes. The three never die. Take all *yuga purushas* (the person of the times) – Sri Rama, Sri Krishna, and Lord Buddha. We see these three qualities in abundance in them. Time imbibes all the three qualities into one who is in quest of these qualities.

The VEDA calendar, which incorporates the *panchanga* and various unique features, can be used as one of the tools for such a quest. It helps understand and practice the impact of time on life. This new year, let us resolve to bring about a paradigm shift – from our obsession with the destructible, physical self to a deep indulgence into the 4th dimension of us – the time. When we so indulge, we automatically do what the time likes and preserves – the good. We will also then perceive the energy or the life in us, which is indestructible like the time. Just like the principle of conservation of energy, I believe there is this principle of conservation of life. The energy in us, called the life, never dies, even when the body it takes on dies. It is this timeless, indestructible life in us that we need to get obsessed with – not the transient physical forms that it takes on. I earnestly believe and hope that the VEDA calendar is a great help to us in this lofty New Year resolution. Happy New Year and Happiness Always!
With Every Best Wish,

Vishnu Pendyala

Humble Devotee of VEDA Temple

Śrī Satyanārāyana Swāmy Vratha Katha

Lord Krishna Says in Bhagavad Gita (Ch4.9) "Janma Karma cha may divyam yevam yo veththi tha-thwathah " One who knows My divine birth and activities will not be born again". Sri Satyanarayana katha is one such activity of the Lord, by studying which we have every chance of being liberated. Sri Sathyanarayana katha forms a vital and integral part of this pooja. Not listening to the katha will be a major loss. Repeatedly hearing this story and meditating on its different aspects will make us more and more interested in the Lord and His activities. As the Lord Himself says further in Gita (Ch9.14) "Sathatham keerthayantho maam yathanthascha dradhavrathaah: "The mahaatmaas among devotees, always speak and sing My glories, and try with determination, to realize Me".

Chapter 1

Once upon a time, the various sages assembled at the Naimisha forest and approached the great sage Soota, and asked him, "By doing which worship of penance can one's desires be fulfilled? Please tell us." The great sage Soota replied, "Earlier the great sage Narada asked the same question to Lord Vishnu, the consort of Lakshmi. Let me repeat what Lord Vishnu told Narada. Please listen intently."

Once, Narada, during one of his sojourns to the various worlds, came to earth. There he saw the people suffering as a result of their past deeds. To alleviate their sufferings and bring them salvation, Narada traveled to Vishnu Loka. There he found Lord Vishnu adorned with 'Sanhka', 'Chakra', 'Gadha' and Lotus in his four hands and a Garland around his neck. Narada spoke humbly: "Oh, Supreme Lord, the savior of the destitute and the troubled, I surrender at thy feet." Asked Lord Vishnu: "Narada. why have you come here? Tell me what you want and I would fulfill your wishes." To which Narada replied, "Oh, Bhagavan. people on earth are suffering in many ways as a result of their own past sinful deeds. Please bestow thy grace and reveal to me as to how they can be helped." Lord Vishnu replied, "Oh, Narada, mankind can rid itself of all its sorrows by performing a puja called SATYANARAYANA PUJA. This puja when performed according to religious rites will bring happiness, peace of mind and wealth in this life and salvation beyond." On hearing this, Narada was filled with joy and addressed Lord Vishnu thus: "Oh Lord, in your infinite grace, please tell me the details of the puja that you just mentioned, how and when to perform it and who has performed it before". Lord Vishnu answered: "This puja can be performed on a full-moon day, Ekadasi, auspicious days, when faced with difficulties or any day the devotee wishes to do. One must gather his friends and relatives perform the puja with devotion and offer fruits, ghee, milk, curd, butter, wheat flour, sugar and honey to the god. After the puja is over, he must read the Satyanarayana Katha and distribute prasada to everybody. If the puja is thus performed, it will bring fulfillment of one's wishes. Particularly, in the Kaliyuga, this puja brings contentment."

Chapter 2

Maharishi Sootha continued addressing the assembled rishis, "Oh Rishis, I will tell you who all have observed the Satyanarayana puja in the past. Once, there lived a very poor Brahmin in the beautiful city of Kasi. Plagued by acute hunger, he used to wander about here and there every day. Lord Vishnu took the form of an old man, appeared before the poor Brahmin and asked: "Friend, why are you wandering aimlessly?" The poor Brahmin replied. "Sir. I am a very poor man. Unable to bear the pangs of hunger, I beg for alms. Sir, if you know a way out of this misery, please tell me." Whereupon, Lord Vishnu, who was in the guise of an old man, replied, "Oh, Brahmin, Lord Satyanarayana grants his devotee's wishes and removes their sorrows. So you should perform his Puja and reap its benefits." Lord Vishnu then explained the details of the Satyanarayana Vrata to the poor Brahmin and disappeared. The poor Brahmin immediately resolved to perform the puja. After a sleepless night, he got up early in the morning and went to beg for alms, his mind fixed on only one thing, namely the puja. That day he got a lot of money with which he bought fruits and milk, curd and honey and performed the puja with his relatives and friends. With Lord Satyanarayana's grace, he shed his poverty and lived a contented life. Every month on the full moon day he performed and finally attained Moksha (salvation). Maharishi Sootha thus told the assembled rishis the story which originally was narrated by Lord Vishnu to Narada Muni. The rishis again addressed Maharishi Sootha: "Oh. the Great One. please tell us in detail who else performed the puja." Maharishi Sootha continued: One day when the poor Brahmin from Kasi was observing the Satyanarayana Vrata, a wood-cutter entered his house and asked for water. Seeing the Brahmin perform the puja, the wood-cutter inquired what the puja was about and what good it would bring. The Brahmin, who had been bestowed with Lord Narayana's grace, spoke: "This is called Satyanarayana Vrata. Anyone who observes this Vrata will get all riches. I myself have been bestowed with wealth." The wood-cutter was delighted to hear this. He learned the proper way to perform the puja, ate the prasada that was offered and went his way. With Lord Satyanarayana in his mind, the wood-cutter resolved that he would observe the Vrata with whatever he was going to make by selling firewood that day. He went to that part of the city where rich people lived, sold the firewood and made twice the normal profit. Pleased with his luck the wood-cutter bought bananas, sugar, ghee, milk, curd, honey and wheat flour and performed the Satyanarayana puja with his friends and relatives. By Lord Narayana's grace, he acquired enormous wealth and lived comfortably and attained moksha (salvation).

Chapter 3

Maharishi Sootha continued: "Oh, best of ascetics, I will now tell you the story further. In the olden days there lived a wise king by the name Ulkamukha. He had mastered all his senses and always spoke truth. He used to go to the temple every day and give gifts to the Brahmins. His lotus-faced wife was a pure and pious woman. One

day, the royal couple was performing the Satyanarayana puja at the banks of the river Bhadrashheela. At that time a merchant called Sadhu sailed by. Seeing the King perform some puja, Sadhu stopped his boat, got off and addressed the king humbly: "Oh, King, would you kindly tell me what you are doing with such devotion and concentration?" The King replied, "Oh, Sadhu, I have no children. In order that I may be blessed with children, I am worshipping the Almighty Lord Satyanaryana." On hearing this Sadhu spoke humbly: "Oh, King, please tell me how to perform the puja. I would like to observe the Vratha, as I too have no children." The King told him all the details. Sadhu returned home and with great joy told his wife that they should perform Satyanarayana puja which will fulfill their desire to have children. He then resolved to perform the puja after the child was born. Then by the divine grace, Sadhu's wife Leelavathi conceived and in due course, a beautiful daughter was born to them. They named the child Kalavathi. One day, Leelavathi reminded her husband of his promise to perform puja. Sadhu told his wife that he would do the puja at the time of his daughter's wedding and got busy with his work. In the meantime, Kalavathi grew up and blossomed into a lovely girl. Sadhu sent out messengers to find a suitable bridegroom for his daughter. One of his messengers found a good-natured and handsome boy in a Vaishya family from Kaanchana Nagar. Sadhu found the boy to be a suitable match for Kalavathi and celebrated his daughter's wedding with great pomp and show. But Sadhu completely forgot about the Satyanarayana puja and thus angered Lord Satyanarayana.

Then, one day Sadhu went on a business trip with his son-in-law. He stopped to trade at Ratnapura that was ruled by king Chandraketu. Lord Satyanarayana placed a curse on Sadhu. One day, some thieves robbed the king's treasury and were running away. The king's soldiers followed them in hot pursuit. The frightened thieves threw all the things they had robbed near Sadhu and escaped. Finding the king's treasure near Sadhu and his son-in-law, the king's soldiers arrested them and brought them before the king. The king ordered them to be chained and thrown into prison. Because of Lord Narayana's Maya, nobody even listened to what Sadhu had to say in his defense. King Chandraketu also confiscated all their merchandise. Lord Narayana's curse did not spare Sadhu's wife. Some robbers broke into her house and Leelavathi lost everything. One day, Kalavathi was very hungry and ran out of the house. She wandered here and there and stopped at a house where Satyanarayana puja was being performed. She stayed at that place until the puja was finished and ate the prasada that was offered. When she reached home, it was late night. Leelavathi asked her where she had been. Kalavathi told her mother that she was listening to Satyanarayana Katha in somebody's House. Leelavathi at once remembered her husband's promise to perform the puja and resolved to observe Satyanarayana Vratha herself. She collected all her relatives and friends and prayed to Lord Satyanarayana to forgive their sins. Lord Satyanarayana was pleased with Leelavathi's prayers. He appeared before King Chandraketu in his dream and told him to release the two merchants from prison as they were not the real thieves. If the king failed to do so, Lord Narayana warned that his kingdom, wealth and children would all be destroyed. Next morning, the king told his counselors about his dream and ordered Sadhu

and his son-in-law to be released. The latter were frightened and stood before the king with bowed heads. The king talked to them gently and said, "You two have suffered a great deal because of your fate, but there is nothing to fear," The king returned their merchandise, gave them new clothes and lots of gifts and bade them good-bye.

Chapter 4

Sadhu and son-in-law loaded their boat with the riches given to them by the king and sailed homeward. Lord Satyanarayana wanted to test the Sadhu further. He took the form of an ascetic with a trident, appeared before Sadhu and asked him what he was carrying in his boat. Without realizing that the ascetic was indeed Lord Narayana in disguise, Sadhu laughed mockingly and said, "You Brahmin, were you thinking of stealing my things? We do not have any valuables in the boat except vessels and leaves." Whereupon Lord Narayana replied, "Oh Sadhu, so be it." The ascetic then departed in great haste and stood by the seashore. When Sadhu went into his boat, he discovered to his horror that the boat was filled with vessels and leaves just as he had falsely told the ascetic. Sadhu swooned at the sight but he was revived by his son-in-law who spoke: "This must be the curse of the ascetic. He must be a mystic. Let's go to him and ask his forgiveness." The two merchants then went to the seashore where the ascetic was meditating. They fell at his feet and repeatedly begged for his forgiveness. Pleased by Sadhu's devotion, the Lord said, "Sadhu, do not weep. You suffer because you have broken your promise time and again." On hearing this, Sadhu prayed to God, "Oh Lord, even Brahma and other Devas drowned in your Maya, cannot comprehend your form completely. How can I, with my limited knowledge, comprehend your various forms? I pray within my limited knowledge. Please show me your true form and bless me." Upon hearing his prayer, God was pleased and granted his wishes, restoring his merchandise in the boat, and disappeared. The two merchants then joyfully sailed homeward. On reaching their hometown, they sent a messenger to their wives to inform them of their safe arrival. At that time, Leelavathi and Kalavathi were performing Satyanarayana puja. Leelavathi quickly finished the puja and asked her daughter to do so. She then hurried to the seashore to meet her husband. Kalavathi, in her eagerness to meet her husband, forgot to eat the prasada and rushes to the seashore. This action of hers angered Lord Satyanarayana. He caused the ship and her husband to drown in the sea. Not finding her husband, Kalavathi started weeping. All were wonderstruck and frightened. Sadhu was at a loss to know what to do. Thinking that it was Lord Narayana's Maya, he announced to that he would perform Satyanarayana puja and prayed to Lord again and again. At this, Lord Satyanarayana, the savior of the sinners, was very pleased and said, "Oh Sadhu, your daughter did not eat the prasada in her haste to see her husband, so I made him and the boat disappear. Let her go home, take the prasada and return." On hearing this, Kalavathi rushed and took the prasada. When she returned to the seashore, she found to her joy her husband and the boat. Then Sadhu returned home happily with his relatives and performed the Satyanarayana puja every full moon day. With God's grace, he enjoyed all the comforts in this world and finally attained salvation.

Chapter 5

Maharishi Sootha continued: "Once there was a king called Thungadhwaya who underwent a lot of misery after refusing the Satyanarayana prasada." One day, after hunting, he was resting under a shady tree. Some cowherds were happily performing Satyanarayana puja nearby. The King, in his vanity, refused the prasada they offered. On the way to his palace, he found that his kingdom, his 100 sons, his wealth and everything was destroyed. Then it occurred to him that Lord Satyanarayana was probably angry with him. He went back to the cowherds, prostrated himself before Lord Satyanarayana and performed the puja with great devotion. Lord Satyanarayana showered His blessings and the King regained everything he had lost earlier. He lived happily and reached Vaikuntha after death.

Maharishi Sootha said, "Oh holy men, I have narrated to you the Satyanarayana Katha which was originally told by Lord Vishnu to Narada Muni. By observing this Vrata, mankind can attain salvation. In this Kaliyuga, observance of the Vrata can lead to gratification of one's wishes." Thus ended the narration of Maharishi Sootha after which Shownak and other rishis returned to their respective places.

Lord Viṣṇu has incarnated in many forms, like Śrī Rama, Śrī Krishna, Lord Venkateśwara and more. In Kaliyuga, any pūja performed to Lord Viṣṇu reaches to none other than Lord Satyanārāyana Swāmy himself.

Śrī Jaya Nāma Saṁvatsara Nakṣatra Chakram:

Each number represents 4 months (three number comprise the whole year). Zero implies unhappiness for that period of four months. If the total sum is odd, then the year will yield some happiness. If the total is even, that would imply not much happiness in that year.
