This calendar provides auspicious times for various activities like starting business, buying various things, joining new jobs, matrimonial, births, closing deals and various day to day activities. It is always advised to consult your family priest or astrologer or the VEDA temple for muhūrthas for above and important samskāras like weddings, upanayanam, sīmantam, gruha pravesam etc. Since rāhukālam is not counted as a dosha in astrology, it is not considered for calculating auspicious times in this calendar. It is advised to observe rāhukālam, varjyam and durmuhūrtam for planning auspicious events.

## Pañchāṅga (Almanac) Calendar – 2021

**Panchāṅgam:** Panchāṅgam provides five basic elements of astrology, *Tithi* (lunar day or time taken by moon to move 12 degrees), *vaara* (a day from sunrise to sunrise), *Nakshatra* (the Zodiac constellation in which the moon is found on particular day), *yoga* (half-day) and *karana* (angle between sun & moon). These are the main aspects calculated according to the Solar, Lunar and the Earth positions. These five elements play an important role in calculating the muhurthas (auspicious days) for any Hindu rituals. There are three prevalent methods of calculation for Panchāṅgam used in different parts of India. *Souramanam* (Solar calendar - prevalent in Kerala and Tamilnadu), *Chandramanam* (lunar Calendar - prevalent in Andhra, Karnataka, Maharashtra, and other states of North India), *Baṛhaspatyamaṇa* (Jupiterian calendar -which is said to be prevalent in North India).

**Panchāṅgam in India and US:** The lunar movements calculate Tithi and Nakshatra, the main angas of Panchāṅgam. When one Tithi or Nakshatram begins and ends, it happens at the same instance all over the world, which is called the *Universal time*. Based on the time zones, the Tithi and Nakshatram will begin/end at different local timings in different parts of the world. Since India has a little variation in terms of sunrise/sunset, Panchāṅgam computed for one area of the country is generally applicable to the other parts of the country as well. But when it comes to other parts of the world, same universal time should be translated into the corresponding local time in terms of the longitude and latitude. As North America's PST is 13 ½ hours past Indian Standard Time, it is not appropriate to use the calendar, prepared for Indian local time. Keeping these aspects in mind, our astrologers and scholars prepared Panchāṅgam calculated for our local time, i.e. PST & PDT. In the current Calendar we have put all efforts to provide as many details as possible. For further details like Muhurthas, please consult our scholars, personally or through email. Daily use of this calendar helps everyone to understand and monitor the prevailing planetary forces of the day. Accuracy of the above mentioned Panchāṅgam attributes depending upon Moon's motion are more crucial for the reliability of Panchāṅgam. Because Moon is the fastest among all the heavenly entities shown in traditional Panchāṅgas, Tithi, Nakshatra, Rasi, Yoga, and Karana depend on Moon's motion. There are three popular meanings of the term Panchāṅgam. Vedic astrology meaning is "five attributes" of the day. The five attributes are:

**Tithi:** Ending Moment (EM) of elongation of the Moon, the lunar day, the angular relationship between Sun and Moon (True Moon minus True Sun). One Tithi equals 12 degree difference between Moon and Sun.

**Nakshatra:** EM of asterism of the day, that is, the stellar mansion in which Moon is located for an observer on Earth. One Nakshatra equals 13 degrees: 20 minutes. There are 27 Nakshatra in 360 degrees.

**Rasi:** The zodiac signs or rasi - EM of the sidereal sign of the zodiac for the Moon.

**Tithi:** The tithi is the longitude of the Moon minus that of the Sun. First tithi (Prathama) begins when tithi is 0° and ends when it is 12°; 12° to 24° is dvitiya, 24° to 36° is Tritiya etc. 168° to 180° is Poornima, 180° to 192° is Dark fortnight Prathama 192° to 204° is Dvitiya etc. 348° to 360° is Amāvāsyā. So, there are 30 tithis -15 are called Suddha (Shukla) Paksha (Bright fortnight or waxing phase) the other 15 Bahula (Krishna) Paksha (Dark fortnight or waning phase). The tithi of a day is usually taken to be the tithi current at sunrise on that day. Since the moment of the sunrise is not the same at all places it is to be noted that occasionally a tithi current at sunrise at one place may not be current at sunrise at another place. It is also possible for a particular tithi to be current at sunrise on two successive days. So when two successive days have the same tithi associated with them, the 1st day is called Tridina. It is also likely that a tithi may begin after sunrise and end before the next sunrise. In such a case a tithi is skipped over and that day is called AVAMA. The concept of good timing is provided by this calendar and one can take advantage of auspicious moments by avoiding when the creative forces of this planetary system are on the wane.

### Note on the Tithi and Nakshatra ending times:

If a tithi or a nakshatram ends before sunrise on a particular day, then it is shown in the calendar with 24 hour format with previous day's time. For example, if a tithi ending time is 6:15am and the sunrise on that day is at 6:45am, then it is shown as 30:15 in the calendar.

## A Message from the Founder, Chairman and Chief Priest of VEDA

I wish a healthy, prosperous, and happy New Year 2021 to all my dear and near devotees of VEDA, in the bay area, and rest of the country. 2020 was a dark year for the world. We struggled and lost many friends, relatives and great personalities in 2020. Due to Mahā Kāla Sarpa Dosha, this will be continued until June 30<sup>th</sup>, 2021, and everyone in the world should be very careful until then. 30<sup>th</sup> of March will especially be severe. Last time this kind of Mahā Kāla Sarpa Dosha happened was 90 years earlier. During this time, in addition to Corona Virus, we should also be careful with all five elements – Earth, Water, Fire, Wind and Space, as any calamity could strike the world. We already experienced such calamities in 2020 worldwide, which will continue until June 30<sup>th</sup>, 2021. I request you all to take appropriate precautions and take care of yourself and your family.

2020 was not a favorable year for the world and any religious organizations. Thus, many planned developments and events did not happen across the world, including VEDA. Even though, we could not physically open the temple during this COVID-19 time, we kept all the abhishekams and temple programs continue without any interruption. To make these programs accessible to devotees, we added live streaming of the temple events through Zoom and YouTube with temple channel. The live streaming of all temple events was set up and helped by VEDA temple president Mahadev Kolluru garu, Treasurer Pavan Piratla garu, Secretary Venkat Damerla garu and other temple management team members. Our temple management team was hard at work to make the temple interiors accessible to everyone during this time and improve the premises at the same. Even in this critical situation, construction work for temple interiors, including updating roof, flooring, etc., are going on very well. In 2021, we are planning to host the **Dhwaja Sthambha Pratishta** event. Our temple management is working on obtaining city approvals for Dhwaja Sthambham. Once approvals are secured, the construction work related to the Dhwaja Sthambham will start. While we hope that we finish this work by June 2021, there is uncertainty related to COVID-19.

Even in this critical situation with COVID-19, many devotees came forward and contributed to the temple's Corona Crisis Fund. I personally offer my blessings and pray to God to shower all the donors with wellness and good health. We request the devotees to provide similar support in the future by donating so that we can take the temple to the next level. New volunteers are always welcome and are needed to support the temple's growth. We recently started a teenage youth committee, called *Your VEDA*, for ages between 13-20. I request teenage students to join the ***Your VEDA youth group***. The VEDA General membership program that we introduced five years ago was very successful with several active members. I request more devotees to register with the VEDA membership program. I offer my humble gratitude to all of the previous members who helped the VEDA temple to run smoothly and grow. In 2020, we also started the VEDA Well-wishers Committee. My ambition is for this committee to grow with more members and to become an umbrella to VEDA in future, and forever.

Our goal has always to achieve and transform Vedic Education and Devotional Academy (VEDA) into a **VEDA University** educational program and a platform for local community and interested students, organized into various departments. As part of these grand plans, we already started VEDA classes, Chandi Saptasati classes, Vishnu Sahasra nama bhashyam, Ramayana pravachanam, and Stotra classes for children. We also finished a 12-week course on astrology. In addition, we are ready to start the Veda Bharati library as well. As soon as COVID-19 restrictions are lifted, we would like to open this library in a grand manner.

Current VEDA priests Jagadish Sharma, Nagendra Sarma, Mruthyunjaya Sarma, Subrahmanyam Sarma, Manoj Kumar Sarma, Hari Sri Krishna Sarma, Kartikeya Sarma, Pramod Kumar Sarma, and Pavan Kumar Sarma (Pachaka), and our new Pachaka - Kancherla Balakrishna Sarma are instrumental to temple's success and growth. To fulfill additional demand for services at the temple and outdoor priestly services, I am planning to hire two new priests to VEDA in 2021.

This year, Subrahmanyam Sarma and Hari Sri Krishna Sarma did hard work at various alankārās at VEDA temple, with help from other priests. All the priests at the temple, along with the help from VEDA volunteers, ensure that this year's Devi Navarātri program was conducted with great alankārams, under the guidance of alankāra shikhara and VEDA senior priest Jagadish Sharma Kodamanchili. During Ganesha Navaratri and Devi Navaratri in 2020, singers, dancers and other artists from across the world, performed for VEDA temple through live streaming. These programs were coordinated by VEDA temple management along with Smt. Vani Gundlaapalli and other volunteers. These programs were conducted in an excellent manner, with many viewers from across the world. My humble gratitude to our VEDA Asthana Ksheera Sagara Paladugu Sricharan garu, who have excellent discourse about **Kartika Māhātmyam**.

VEDA Annual calendar provides vital and essential details like Tithi, Vāram, Nakshatram, Varjyam, Rāhukalam, Durmūhurtam, Eclipse timings, auspicious days and times like excellent and average times, and star predictions required for us in our day-to-day personal needs, in a concise manner and for observing our daily rituals. It is always advised to consult your family priest or astrologer for muhūrthas for important samskāras like weddings, upanayanam, seemantham, gruha pravesam, etc. My vision is still to provide such priest services to the devotees and community through VEDA, with the unique combination of Vedic chants and puja to make devotees happy, prosperous, and successful in life. I convey my heartfelt blessings to Dr. Srinivas Vadrevu and family, who helped me with the yearly calendar preparation with dedication.

I express my humble gratitude to the VEDA president Sri Mahadev Kolluru garu, Vice President Ram Bhoopalam garu, Human Resources in-charge Ravi Koduru garu, and the rest of the management team, in addition to the VEDA board members. During the challenging year in 2020, the management team provided the necessary support to conduct the temple events effectively with cooperation from other board members and office bearers. The hard work, commitment, and dedication shown by the Executive Committee and several new and existing volunteer members are instrumental in the tremendous growth of the temple. The next elections for VEDA Board of directors will be held in November 2021. The temple members will get the notification for voting. Please ensure that your membership stays active at least 90 days prior to the elections. I pray to Lord Sri Satyanarayana Swamy to give blessings to all the VEDA Community.

## Message from the VEDA President and Member of Board of Directors

Dear All:

Wish you all a very Happy New Year 2021. I would like to begin by offering special thanks to the Almighty for showering blessings on the entire devotee community and ensuring our safety during these difficult times. 2020 has been a challenging year among recent times, with many global operations coming to a standstill. One of the greatest lessons we have learned over the past several months is that our devotion and dedication towards VEDA helped us to quickly adapt, align, and innovate, regardless of the hardships that came our way, all while keeping our VEDA community, staff, and your families at the heart of everything we did.

I want to share some accomplishments over the past year and explain how this is an opportunity for us to execute our growth plans in 2021. As you are aware, our State and County governments had issued a directive to suspend all indoor congregations and services to prevent community spread of CoVID-19 in early March. Small businesses and religious organizations were hit hard due to these directives. To ease the burden on our temple priests and staff, we gave them assurances regarding continuity of their wages and healthcare benefits, without any reduction. We launched the VEDA CoVID Relief fund, appealed to the devotee community, and thanks to the donations from hundreds of VEDA supporters, we quickly raised funds to support monthly fixed costs, including payroll, employee healthcare benefits, and operational expenses. We also diligently applied for and received Economic Injury Disaster Loan and Small Business Paycheck Protection Program Loan, and I am proud to say, managed our spending wisely during these difficult times.

In our proactive efforts to strengthen the temple financially against prolonged pandemic effects and to position VEDA for future growth, we launched the VEDA CORPUS FUND. With generous donations from many ardent devotee community members and well-wishers, we successfully compensated for the steep decline in revenues, which are normally generated during in-person temple events and from Hundi collections. Most importantly, within a few days of the County directive, we invested in infrastructure improvements, set up high-bandwidth fiber-optic network connection at VEDA, and streamed live, in HD, all temple special events and daily puja services on the VEDA Temple Videos LIVE YouTube channel. Our devotee community was able to stay connected with the temple and, from the safety of their homes, participated virtually in all the special events and services conducted by our priests. This was a major undertaking by my team, and has successfully elevated VEDA services and community reach to the next level.

Sarvari Naama Ugadi celebrations, including Panchanga Sravanam and Kavi Sammelanam, became the first major event of 2020 that was streamed live in HD, using YouTube and Zoom interactive sessions. On this auspicious day of Ugadi, we formally launched the Vedic Educational Institute, with Sri Marepalli NagaVenkata Sastri garu as Chairman, Sri Sricharan Paladugu garu as Dean, and me serving as the Chancellor. Classes were conducted to the first batch enrollment of 125+ students from Akshaya Tritiya day (April 25, 2020), and covered Chandi Sapthasathi, Sri Vishnu SahasraNaama Bhayam, Smimad BhagavathGeetha, AdityaHrudayam, Sri Rama Raksha Strotam, SankataNaasana Ganesha Strotam, Bilwaashtakam, Viswanathaashtakam, among others. This initiative is the first milestone in our cherished dream of transforming VEDA into both a devotional and an educational academy, serving the needs of the national and international devotee community and imparting vedic education to devotees of all ages (via online learning).

During this period, my team undertook several key projects to help improve VEDA temple facilities. Representative images of this work progress can be seen in the enclosed images in this Calendar. To safeguard temple premises and ensure enhanced security for all devotees, we installed a multi-camera HD Surveillance system for maximum coverage of all temple buildings. We also replaced the interior ceiling roof tiles, made structural improvements, including natural skylights and high ceiling, sealed off all open areas with drywall, and upgraded Audio/Video system to improve the temple ambience and deliver an enhanced multimedia experience to all devotees during puja services.

Our shilpis in India have completed making deity idols that adorn the walls of inner shrines and outside sikharam. These have now been shipped from India along with the newly completed MukhaDwaram, which will become the entrance to the main shrine hall. We expect these items to arrive in the USA sometime in late-January. To complete the Gopuram and shrine work, we have brought back our shilpis from India (here since November). Additional shrine doors will also be completed soon.

To transcend VEDA to a Punya Kshetram, we have now launched the Dwajasthambam project. Initial drawings have been completed and submitted to the Milpitas City Planning department for permits. We expect to receive permits by early January and target installation of Dwajasthambam at VEDA by June 2021, for our Temple Anniversary celebrations.

On behalf of the entire devotee community, I want to thank members of my Executive Committee – Sri Ram Bhoopalaram garu, Sri Pavan Piratla garu, Sri Venkateswar Damerla garu, Sri Sreenivasa Devarakonda garu, Sri Uppaji Kothapalli garu, Sri Ravi Koduri garu, and Smt Vani Gundlapalli garu for their dedicated service to VEDA, despite the challenges posed by the CoVID situation. Many special thanks are also extended to VEDA Team leads and volunteers, especially Flower Team, Food Team and Construction Team for their tireless efforts and service in contributing to the temple activities.

I would like to thank my teammates on the VEDA Board of Directors - Sri Marepalli Nagavenkata Sastri garu, Sri Gopal Ajjarapu garu, Sri Ananth Atmakuru garu, and Sri Narayana Upuluri garu - for sharing a collective vision and for their unequivocal support of all my proposals for VEDA Temple sustenance and growth during this 1st year of our Term. Finally, I would like to thank my parents for instilling in me the virtues of dharmic religious practices, and values of service to others. I extend my sincere thanks to my wife and children for supporting me in the execution of my responsibilities at VEDA and joining me on most occasions over the past several years, in rendering service at VEDA.

Best wishes to All.

**Sri Mahadev Kolluru**  
VEDA President  
Dear all, wishing you all a very happy new year.  
(VEDA President's Message can be found later in this calendar)

**Sri Gopala Ajjarapu**

Dear VEDA family, Wish you all and your families a very Happy New Year, and hope 2021 is going to show us the path forward from a hellacious 2020. We all know 2020 is going to be remembered by the generations to come as the year that changed our lives, ways of working, and humankind in general. Despite the challenges created by COVID-19 (coronavirus) pandemic, the entire VEDA family has continued to not only survive but have emerged stronger than ever.

These unprecedented times required unprecedented response. We - the management, the volunteers and more significantly you the devotees - came together as one VEDA family in protecting the priests, their families and the organization in general. I want to take this opportunity to thank everyone that has contributed to our response. During the year we undertook small but meaningful projects, and successfully completed them. We set up infrastructure to live stream temple activities to the VEDA community and the priests performed all services to the deities while adhering to Santa Clara county health guidelines. My goal is to continue strengthening the organization, improving our infrastructure, operations, financial stability and working on establishing VEDA as a premier temple for the generations to come. Our immediate goal is to complete the work on the Mahashikaram, Dwajastambham and make VEDA debt free.

**Sri Venkata Uppuluri (UVL Narayana)**

Dear devotees. I and my family have been associated with the temple & Sastri/Guruvugaru for 15+ years and we are ardent devotees and donors. I had a religious upbringing by my Gurus and parents who resided in Kaasi for 15+ years. My father is serving as a Trustee of Andhra Ashram in Kaasi. Besides a BTech from IIT Madras & MS+MBA in USA, I have 30+ years of working experience in various Silicon Valley senior roles. Recently Head of Customer Success and Director at Splunk and now at a startup. I participate in the temple poojas daily to connect with Swami, Self & Sanatana Dharma for tranquility. I am passionate about introducing VEDA to the next generation such as my own children and growing the activities for newer devotees.

**Sri Anantha Atmakuri**

Dear VEDA Devotees, Wishing you all a very happy New Year from our family to yours. I want to provide a short recap of the work done this past year and project plans for the upcoming year. As we all know, the pandemic halted many of our ongoing regular activities, but in VEDA, we never stopped working. With the guidance of Guruvu Garu, we have been doing all Pooja's and events as planned. To adapt to these times, we implemented online streaming so that every devotee can watch along and get God's blessing. We also started a few development activities for the continuous progress of Veda Services to the community. The initiatives to renovate the main temple's inner roofing, Mukha Dwaram, to build doors for deities, to upgrade the kitchen for commercial use, and to improve the adjacent building have all made incremental progress this year. However, these projects have not yet been completed due to the pandemic complicating logistics and slowing approval for city permits. Our goal for 2021 is to see these committed projects, and hopefully more, to full completion and great success with the help of amazing devotees like yourself. Once again, I wish the New Year will be prosperous for everyone. Feel free to contact me anytime with any questions, feedback, or suggestions to help.

## Significance of VEDA Calendar

'VEDA' calendar is an everyday prasadam of Sri Rama Satyanarayana Swamy. It is the nitya-tapah-phalam of our honorable Guruvugaru, 'Vedasmaartajyotisha sanaatana dharma sthaapanachaarya', Brahmasri Marepalli Nagavenkata Sastry garu.

It has complete and comprehensive astrological information of every specific day of the year, specially and meticulously prepared based on California timezone.

Auspicious and in-auspicious times w.r.t astrological positions are also given on a daily basis.

Various hymns on the Temple deities are provided, which describe the glory of the deity and prayers to get blessings from the deity.

'VEDA' temple App is also available for mobile devices. 'VEDA' calendar is available in the 'VEDA' App as well.

According to Sanatana dharma, just having a darshan of Panchangam, early in the morning and reading of the day's astrological details bestow the Almighty's blessings for that day.

We are really blessed to have guidance of a great Guru, Brahmasri Marepalli Nagavenkata Sastry garu, to lead the best life and obtain the knowledge and Punyam for Nirvana.

## IMPORTANCE OF ANNADANAM

गजतुरग सहस्रं गोकुलं भूमिदानम्  
 कनकरजत पात्रं मेदिनी सागरान्तम् ।  
 उभयकुल पवित्रं कोटिकन्या प्रदानम्  
 न भवति समतुल्यं अन्नदानः समानः ॥

*Krishna Yajurvedam says,*  
 अन्नं न निन्द्यात् ।  
 अन्नं बहु कुर्वीत ।  
 अन्नं न परिचक्षीत ।  
 अन्नं प्राणमपानमाहुः ।

**ANNADANAM** is a sacred activity. In Hinduism, there is no better puja and ritual than feeding hungry living beings. **ANNADANAM** is **MAHADANAM** i.e. the greatest donation in Hindu religion and is an essential part of Sanatana Dharma tradition. There are numerous stories in Hindu scriptures that extol the glory of Annadanam – prominent being Goddess Parvati appearing as Goddess Annapurnaeshwari and feeding Shiva.

**ANNAM PARA BRAHMA SWARUPAM** - Food supports the body to attain Dharma, Artha, Kama and Moksha. Donors of Annadanam are considered as donors of Pranadanam. The person, who participates in this sacred Annadanam, will be blessed by divine Gods. It is said that glory, strength and fame will be acquired in Trilokas by Annadanam. The donor of Annadanam will get first entry in the heaven. Annadanam is performed for redemption of sins, to attain piety and to get speedy recovery from illness. The glory of family and holiness of a temple increases with each Annadanam. Annadanam can be performed on any auspicious occasions such as festivals, weekly abhishekams, in memory of your beloved ones or in celebration of your beloved ones.

Please avail the opportunity to perform Annadanam at your Sri Satyanarayana Swami Temple.

Details of Annadanam:

- During regular days (Laghu Prasadam) - \$151 (may have multiple sponsors)
- During special occasions
  - More than 500 people - \$1116 (one or two grand sponsors)
  - Below 500 people - \$501 (one or two grand sponsors)

Please register with the front desk or calling the temple at 408-971-7852/408-340-1744 or sending an email to [pujaservices@siliconvalleytemple.net](mailto:pujaservices@siliconvalleytemple.net).

If the match between the bride's star and the groom's star yields a number greater than or equal to 18, then that match is considered to be auspicious.

### Plava Nāma Saṁvatsara Nakṣatra Chakram:

Each number represents 4 months (three numbers comprise the whole year). Zero implies unhappiness for that period of four months.

If the total sum is odd, then the year will yield some happiness. If the total is even, that would imply average results in that year.
