VEDA President

Dear all, wishing you all a very happy new year. (A Humble Note from the President can be found later in this calendar)

**Smt. Anita Mandadi**

Dear Veda members and Devotees, as a Board member for last one year, we had worked on various activities for the progress of Veda Services to the community. We have embarked on MahaShikaram construction after doing technical and financial evaluation of multiple contractors & finalized a company. Construction of the MahaSikharam upper part is in progress and our goal is to have Kumbhabhishekam by May 2019. Completed the installation of Shani Devata and performed Prathista program in the month of Apr 2018 and I am part of lot of flower garland activities throughout the year. I will continue to utilize my services to reach the community to make VEDA as Punya Kshetram under guidance of our guru Sri Venkata Sastrygaru. I am putting strategy to reach far beyond not only existing community to help fund-raise for constructing Alaya Shikaram, Dwaja Stabham and further important construction activities.

**Sri Ravi Varanasi**

Dear VEDA Devotees, Happy New Year! 2019 will be scripted as the year of "Maha Sikharam" as we seek Lord Satyanarayana's blessings for completion of our project in the first half of this year. As always, this auspicious Temple cherishes support from donors, volunteers and the collective resolve of VEDA community for major projects like this. As we reflect on 2018, it has been a growth year for us and we stabilized various operations of the temple. We got some success with efforts like overflow parking and we will continue to make more progress in areas like this to ensure better experience for our devotees. It will be my goal and effort in encouraging participation from more donors and further drive creation of transparent, blissful atmosphere that reinforces our Faith and serenity at VEDA temple. I'm truly blessed to serve this community. Feel free to contact me anytime for feedback, suggestions to help enhance your experience at VEDA.

**Sri Baleshwara Swamy Indrapu**

Dear All, Wish you a very happy & successful 2019 year. I am glad to say we made progress in construction of Lord Sri. Satya Narayana Swamy Shikaram during 2018 and target to complete it and do kumba abhishekam during this year. Next, my priority is for us to embark upon Dwaja sthamabam project with support from all devotees. Please reach out to me for any comments and suggestions.

## Pañchāṅga (Almanac) Calendar – 2019

**Panchāngam:** Panchāngam provides five basic elements of astrology, *Tithi* (lunar day or time taken by moon to move 12 degrees), *vaara* (a day from sunrise to sunrise), Nakshtra (the Zodiac constellation in which the moon is found on particular day), *yoga* (half-day) and *karana* (angle between sun & moon). These are the main aspects calculated according to the Solar, Lunar and the Earth positions. These five elements play an important role in calculating the muhurthas (auspicious days) for any Hindu rituals. There are *three* prevalent methods of calculation for Panchāngam used in different parts of India. *Souramanam* (Solar calendar - prevalent in Kerala and Tamilnadu), *Chandramanam* (lunar Calendar - prevalent in Andhra, Karnataka, Maharashtra, and other states of North India), *Baarhaspatyamaana* (Jupiterian calendar -which is said to be prevalent in North India).

**Panchāngam in India and US:** The lunar movements calculate Tithi and Nakshtra, the main angas of Panchāngam. When one Tithi or Nakshatram begins and ends, it happens at the same instance all over the world, which is called the *Universal time*. Based on the time zones, the Tithi and Nakshatram will begin/end at different local timings in different parts of the world. Since India has a little variation in terms of sunrise/sunset, Panchāngam computed for one area of the country is generally applicable to the other parts of the country as well. But when it comes to other parts of the world, same universal time should be translated into the corresponding local time in terms of the longitude and latitude. As North America's PST is 13 ½ hours past Indian Standard Time, it is not appropriate to use the calendar, prepared for Indian local time. Keeping these aspects in mind, our astrologers and scholars prepared Panchāngam calculated for our local time, i.e. PST & PDT. In the current Calendar we have put all efforts to provide as many details as possible. For further details like Muhurthas, please consult our scholars, personally or through email. Daily use of this calendar helps everyone to understand and monitor the prevailing planetary forces of the day. Accuracy of the above mentioned Panchāngam attributes depending upon Moon's motion are more crucial for the reliability of Panchāngam. Because Moon is the fastest among all the heavenly entities shown in traditional Panchāngas, Tithi, Nakshatra, Rasi, Yoga, and Karana depend on Moon's motion. There are three popular meanings of the term Panchāngam. Vedic astrology meaning is "five attributes" of the day. The five attributes are:

**Tithi:** Ending Moment (EM) of elongation of the Moon, the lunar day, the angular relationship between Sun and Moon (True Moon minus True Sun). One Tithi equals 12 degree difference between Moon and Sun.

**Nakshatra:** EM of asterism of the day, that is, the stellar mansion in which Moon is located for an observer on Earth. One Nakshatra equals 13 degrees: 20 minutes. There are 27 Nakshatra in 360 degrees.

**Rasi:** The zodiac signs or rasi - EM of the sidereal sign of the zodiac for the Moon.

**Tithi:** The tithi is the longitude of the Moon minus that of the Sun. First tithi (Prathama) begins when tithi is 0° and ends when it is 12°; 12° to 24° is dvitiya, 24° to 36° is Tritiya etc. 168° to 180° is Poornima, 180° to 192° is Dark fortnight Prathama 192° to 204° is Dvitiya.etc. 348° to 360° is Amāvāsya. So, there are 30 tithis -15 are called Suddha (Shukla) Paksha (Bright fortnight or waxing phase) the other 15 Bahula (Krishna) Paksha (Dark fortnight or waning phase). The tithi of a day is usually taken to be the tithi current at sunrise on that day. Since the moment of the sunrise is not the same at all places it is to be noted that occasionally a tithi current at sunrise at one place may not be current at sunrise at another place. It is also possible for a particular tithi to be current at sunrise on two successive days. So when two successive days have the same tithi associated with them, the 1st day is called Tridina. It is also likely that a tithi may begin after sunrise and end before the next sunrise. In such a case a tithi is skipped over and that day is called AVAMA. The concept of good timing is provided by this calendar and one can take advantage of auspicious moments by avoiding when the creative forces of this planetary system are on the wane.

### Note on the Tithi and Nakshatra ending times:

If a tithi or a nakshatram ends before sunrise on a particular day, then it is shown in the calendar with 24 hour format with previous day's time. For example, if a tithi ending time is 6:15am and the sunrise on that day is at 6:45am, then it is shown as 30:15 in the calendar.

## IMPORTANCE OF ANNADANAM

गजतुरग सहस्रं गोकुलं भूमिदानम्  
कनकरजत पात्रं मेदिनी सागरान्तम् ।  
उभयकुल पवित्रं कोटिकन्या प्रदानम्  
न भवति समतुल्यं अन्नदानः समानः ॥

*Krishna Yajurvedam says,*  
अन्नं न निन्द्यात् ।  
अन्नं बहु कुर्वीत ।  
अन्नं न परिचक्षीत ।  
अन्नं प्राणमपानमाहुः ।

**ANNADANAM** is a sacred activity. In Hinduism, there is no better puja and ritual than feeding hungry living beings. **ANNADANAM** is **MAHADANAM** i.e. the greatest donation in Hindu religion and is an essential part of Sanatana Dharma tradition. There are numerous stories in Hindu scriptures that extol the glory of Annadanam – prominent being Goddess Parvati appearing as Goddess Annapurnaeshwari and feeding Shiva.

**ANNAM PARA BRAHMA SWARUPAM** - Food supports the body to attain Dharma, Artha, Kama and Moksha. Donors of Annadanam are considered as donors of Pranadanam. The person, who participates in this sacred Annadanam, will be blessed by divine Gods. It is said that glory, strength and fame will be acquired in Trilokas by Annadanam. The donor of Annadanam will get first entry in the heaven. Annadanam is performed for redemption of sins, to attain piety and to get speedy recovery from illness. The glory of family and holiness of a temple increases with each Annadanam. Annadanam can be performed on any auspicious occasions such as festivals, weekly abhishekams, in memory of your beloved ones or in celebration of your beloved ones.

Please avail the opportunity to perform Annadanam at your Sri Satyanarayana Swami Temple.

Details of Annadanam:

- During regular days (Laghu Prasadam) - \$151 (may have multiple sponsors)
- During special occasions
  - More than 500 people - \$1116 (one or two grand sponsors)
  - Below 500 people - \$501 (one or two grand sponsors)

## A Message from the Founder, Chairman and Chief Priest of VEDA

I am very happy to wish a healthy, prosperous and happy New Year 2019 to all my dear and near devotees of VEDA, in the bay area and rest of the country, with the grace of Almighty Lord Sri Satyanarayana Swamy and blessings from deities at the VEDA temple in Melpeetha Nagaram, which became a Punya Kshetram for entire community in Milpitas, CA. We saw year 2018 was a great year with devotees from nationwide and overseas coming forward to participate in temple activities with great devotion.

The VEDA General membership program that we introduced two years ago was very successful with several active members. I request more devotees to register with the VEDA membership program. The details of this program and members roles and benefits can be enquired at temple.

Current VEDA priests Jagadish Sharma, Nagendra Sharma, Sivarama Sharma, Mruthyunjaya Sharma, Phani Raja Kumar, Subrahmanya Sarma, Manoj Kumar Sarma, Garimella Avadhani Garu, Pavan Kumar Sharma and Chalapathy Sarma are instrumental to temple's success and growth, who made all important festivals at the temple successful with their team work and meticulous job. This year's Devi Navatri program was fantastic with great alankarams and activities, under the guidance of alankara shikhara Jagadish Sharma Kodamanchili. To fulfill additional demand for services at temple and outdoor priestly services, we added a new Priest in 2018 and plan to add more as necessary based on increasing need for the temple activities.

VEDA Community support and Lord Sri Satyanarayana Swamy's blessings will always be there with the local artists and cultural organizations, as the temple became a key platform for local programs like Indian dance performances, singing, language learning, instrumental, spiritual classes, yoga classes, meditation classes, and Veda classes for several years successfully.

VEDA Annual calendar provides vital and important details like Tithi, Varam, Nakshatram, Varjyam, Rahukalam, Durmuhurtam, Eclipse timings and star predictions required for us in our day to day personal needs, in a concise manner and for observing our daily rituals. In addition, calendar also provided auspicious days and timings like excellent and average. It is always advised to consult your family priest or astrologer for muhūrtas for important samskāras like weddings, upanayanam, sīmantam, gruha pravesam, etc. My vision is always to provide such priest services to the devotees and community through VEDA, with the unique combination of Vedic chants and puja to make devotees happy, prosperous and successful in life. I convey my heartfelt blessings to Dr. Srinivas Vadrevu and family, who helped me with the yearly calendar preparation with dedication.

The elections for this year's VEDA Board of directors will be conducted between November and December 2018. The new board changes will be effective from Jan 1, 2020 for two years term. We wish to update we secured all the required permits for Maha Shikharam construction from the city. The construction is already going on at the temple now. We plan to conduct Maha

Kumbhabhishekam tentatively in April or May this year. Our puranas say "शिखरदर्शनचिन्तनाशनम्" - watching the shikharam to get piece of mind and relieves the devotees of worries. It is not common to witness Mahashikharam construction everyday everywhere. I request all devotees to take this opportunity and participate in the Maha Shikharam construction for this excellent cause. While thanking the devotees for their unwavering effort and support extended so far for this noble cause, we request all devotees to provide similar support in future by donating based on your affordability, so that we can take the temple to this Maha Shikharam construction and Maha Kumbhabhishekam.

I express my humble gratitude to the current president Sri Tadepalli Padmanabham garu, office bearers and current VEDA board. I also my humble gratitude to all of the previous members who helped towards VEDA temple to run smoothly and grow. Under his leadership, major works were successfully completed. Also, hard work, commitment and dedication shown by Executive Committee and several new and existing volunteer members are instrumental in tremendous growth of the temple.

I pray to Lord Sri Satyanarayana Swamy to give blessings to all the VEDA Community.

## A Humble Note from the VEDA President

Sri Gurubhyo Namah.

Dear all,

wishing you all a very happy new year. The first year of taking responsibility of the presidency is filled with interesting tasks and a new terrain to walk. With the help and continued support of Venkata Manadi Garu this transition was made as easy as possible. A new Executive team was formed to work with me to execute the administrative operational tasks of the temple, conducting of events and also to improve many processes.

Starting with education, this year we saw more classes being conducted including new dance classes in the temple building. We also started providing a platform for music students to come and perform at the temple. This is well supported both by students and their parents too. In this year many of our priests have enrolled to study the entire Yajur vedam under the guidance of Brahmamsri Marepalli Naga Venkata Sastri Garu (our founder and chief priest). The temple vibrates with the sound of the vedic chants and brings peace to anyone entering it. The temple is visited by many scholars, swamijis and Avadhanis who have discourses on various religious texts at the temple.

In the month of April, additional energy was bestowed to the temple with the consecration of Shanaiswara and Jagadguru Adi Shankara and Sri Ramanujacharya. Both the Acharyas were installed on the same platform. This concept of having both the Acharyas was conceived by our Sastri Garu. This was well received not only by devotees, but by every visiting scholar and swamijis. They were happy to see them together. The devotees are now able to offer exclusive tailabhishekam to Shani bhagawan and get their blessings from him.

As ever, this year too the festivals of Maha Shivaratri, Ugadi, Sri Rama Navami etc., were conducted with support of our priests and volunteers to the satisfaction of the devotees. The Ganesh Navaratri celebrations ended with the immersion of Sri Nritya Ganapathi in the waters of Pacific Ocean near Richmond Bay. All the participants had an ecstatic time. The Devi Navaratri celebrations in October provided a visual and spiritual feast to all devotees with different daily Alankarams for the Devi. The increased number of devotees visiting every year speaks for itself. Moreover, devotees came in large numbers during all the days of Devi Navaratri irrespective of weekday or weekend.

The Karthika Masam which is usually the busiest month of the entire year, has an increased number of participants doing group Satyanarayana Vratams. Due to extreme demand, additional batches were conducted on Karthika Ekadasi.

With the increased number of devotees, the additional challenge of providing timely prasadam to all is done by our dedicated Pachakas and a team of volunteers, which we call 'Satya Sena'. These volunteers provide timely help to the Pachakas and make every best effort to make sure everyone gets Mahaprasadam. Similar to the food volunteers, we have a dedicated flower volunteer team who procure flowers and very meticulously make beautiful garlands which the deities are adorned.

On the construction front, the temple board has initiated the construction of Mahashikaram for Sri Ramaa Satyanarayana Swamy. A diligent process of inviting multiple contractors and choosing one among them took place. The challenging task of coordinating the contractor, structural engineer, architect, city inspectors etc., is taken up by a dedicated volunteer team led by our board member Baleshwar Garu. The roof's been cut and the Shikaram's super structure is being completed. The next steps of getting the art work done by the Shilpis is work in progress. Many devotees have generously donated to construct the Mahashikaram to make sure it is completed. During the Karthika Masam, we have also upgraded the flooring on the 479 building by laying wooden floor. This opens up the floor for additional dance classes, comfortable seating for performing private ceremonies or gatherings.

On the administration side, the revenue of the temple is very steadily growing. There is a 12% increase in the number of registered devotees within the last 11 months. We have launched VEDA Temple App to meet devotees' day to day requirement of information. We got permission from the opposite building to use their additional parking space during non-office hours. We have also streamlined many processes behind the scenes which are making operations faster. Thanks to the EC team and the Officers Bearers team to make this happen. Our objective is to make sure the devotee has a peaceful experience whenever he/she visits the temple.

All progress is made possible by the blessings of Sastri Garu, the dedicated work by our priests and all volunteers.

My final thanks go to my family, who have let me serve the temple and also joined me in many occasions in this seva.

Wishing you a happy new year once again.

President of VEDA Temple.
