It is always advised to consult your family priest or astrologer or the VEDA temple for muhūrtas for above and important samskāras like weddings, upanayanam, sīmanṭam, gruha pravesam etc. Since rāhukālam is not counted as a dosha in astrology, it is not considered for calculating auspicious times in this calendar. It is advised to observe rāhukālam, varjyam and durmuhūrtam for planning auspicious events.

Sri Mahadev Kolluru
VEDA President

Dear all, wishing you all a very happy new year.
(VEDA President's Message can be found later in this calendar)

Sri Venkata Uppuluri (UVL Narayana)

Wish all the devotees a very happy and blessed 2022! Look forward to Lord SatyaNarayana Swamy and Rama Devi's blessings to all as we turn the corner on the pandemic and the world opens up. We are extremely grateful for the opportunity provided to re-innovate ourselves through online services and such to minimize the inconvenience caused for the devotees. While 2021 provided much inward and challenging time, I am personally grateful for how we came out stronger in faith and have developed so much appreciation for little things, such as getting together and seeing Swamy in person, that we have taken for granted before. As our term ends, also much appreciation to the President and teammates on navigating through challenging times and several accomplishments such as construction of Dwaja Stambam, copper ceiling, fund raising, etc. Also best wishes to the new team that will take over to help the temple and our Chairman and Guruvuguru to reach newer heights to serve the Lord and devotees

Sri Gopala Ajjarapu

Dear VEDA family, Wish you all and your families a very Happy New Year. In many ways 2021 was a continuation of 2020. While adhering to the mask rules, lockdowns and social distancing norms, the VEDA family plowed forward. We completed the Mukhadwaram, Dwajastambam, and Mahashikaram projects, making VEDA – Sri Satyanarayana Devasthanam the Punyakshetram in Milpitas, CA. This was only possible due to the grit, determination, resilience, camaraderie shown by this family of Devotees, Donors, Priests, Sastri garu and most importantly the volunteers - unsung heroes of VEDA. Like the saying goes “Rome was not built in a day” our Punyakshetram was built over the years, due to the ardent hard work, dedication, and support of many, and the guidance of Sastri Garu. Our success stems from our Priests and Sastri Garu, who continuously serve and strive towards making devotees delighted; our donors who generously open their checkbooks; and our volunteers who spend countless hours tirelessly working to keep the engine running – all of them form the fabric for our organization.
My primary goal as a BOD member was to help achieve Sastri Garu's vision. Reflecting back, I can proudly say that today VEDA is much stronger than ever before, financially one step closer to being Debt free, fiscally, and foundationally strong. As I near the end of my term, I will continue to be the volunteer that I always was and continue to be, to follow the path paved for me by the Lord Almighty and Sastri Garu, to serve the organization.

Sri Anantha Atmakuri

Dear Veda Family,
Wishing you all a very Happy New Year from our family to yours!
As we all know, the pandemic has continued to cast its shadow on overall activities and slowed down our ongoing projects. However, with the guidance of Guruvu Garu, and the endless support and dedication from the rest of BOD and its executive members, we were able to complete numerous projects. This includes the construction of the Dwajastambam, the Mukha Dwaram, and the remaining Mahashikaram activities, as well as the renovation of the inner roofing of the main temple and the adjacent buildings. Additionally, the temple is operating regularly as per city norms and has successfully completed amazing Devi Navarathri and Karthika Maasa events with wonderful Alankarams.
We don't want to stop here. With the help of devotees, volunteers, and sponsors like you, we hope to continue improving the temple premises to keep a pleasant, relaxing atmosphere. In the process, we would like to complete remaining committed projects, such as doors for deities, a Navagraha, Naga Devata roofs, beatification and hopefully more! I wish the best of luck to the new board to carry out these projects to completion with great success.
Once again, I wish the New Year will be prosperous for everyone. Feel free to contact us anytime with any questions, feedback, or suggestions.
Sincerely, Ananth & Family!

Pañchāṅga (Almanac) Calendar – 2022

Panchāngam: Panchāngam provides five basic elements of astrology, *Tithi* (lunar day or time taken by moon to move 12 degrees), *vaara* (a day from sunrise to sunrise), Nakshtra (the Zodiac constellation in which the moon is found on particular day), *yoga* (half-day) and *karana* (angle between sun & moon). These are the main aspects calculated according to the Solar, Lunar and the Earth positions. These five elements play an important role in calculating the muhurthas (auspicious days) for any Hindu rituals. There are *three* prevalent methods of calculation for Panchāngam used in different parts of India. *Souramanam* (Solar calendar - prevalent in Kerala and Tamilnadu), *Chandramanam* (Lunar Calendar - prevalent in Andhra, Karnataka, Maharashtra, and other states of North India), *Baarhaspatyamaana* (Jupiterian calendar - which is said to be prevalent in North India).

Panchāngam in India and US: The lunar movements calculate Tithi and Nakshtra, the main angas of Panchāngam. When one Tithi or Nakshatram begins and ends, it happens at the same instance all over the world, which is called the *Universal time*. Based on the time zones, the Tithi and Nakshatram will begin/end at different local timings in different parts of the world. Since India has a little variation in terms of sunrise/sunset, Panchāngam computed for one area of the country is generally applicable to the other parts of the country as well. But when it comes to other parts of the world, same universal time should be translated into the corresponding local time in terms of the longitude and latitude. As North America's PST is 13 ½ hours past Indian Standard Time, it is not appropriate to use the calendar, prepared for Indian local time. Keeping these aspects in mind, our astrologers and scholars prepared Panchāngam calculated for our local time, i.e. PST & PDT. In the current Calendar we have put all efforts to provide as many details as possible. For further details like Muhurthas, please consult our scholars, personally or through email. Daily use of this calendar helps everyone to understand and monitor the prevailing planetary forces of the day. Accuracy of the above mentioned Panchāngam attributes depending upon Moon's motion are more crucial for the reliability of Panchāngam. Because Moon is the fastest among all the heavenly entities shown in traditional Panchāngas, Tithi, Nakshatra, Rasi, Yoga, and Karana depend on Moon's motion. There are three popular meanings of the term Panchāngam. Vedic astrology meaning is "five attributes" of the day. The five attributes are:

Tithi: Ending Moment (EM) of elongation of the Moon, the lunar day, the angular relationship between Sun and Moon (True Moon minus True Sun). One Tithi equals 12 degree difference between Moon and Sun.

Nakshatra: EM of asterism of the day, that is, the stellar mansion in which Moon is located for an observer on Earth. One Nakshatra equals 13 degrees: 20 minutes. There are 27 Nakshatra in 360 degrees.

Rasi: The zodiac signs or rasi - EM of the sidereal sign of the zodiac for the Moon.

Tithi: The tithi is the longitude of the Moon minus that of the Sun. First tithi (Prathama) begins when tithi is 0° and ends when it is 12°; 12° to 24° is dvitiya, 24° to 36° is Tritiya etc. 168° to 180° is Poornima, 180° to 192° is Dark fortnight Prathama 192° to 204° is Dvitiya.etc. 348° to 360° is Amāvāsya. So, there are 30 tithis -15 are called Suddha (Shukla) Paksha (Bright fortnight or waxing phase) the other 15 Bahula (Krishna) Paksha (Dark fortnight or waning phase). The tithi of a day is usually taken to be the tithi current at sunrise on that day. Since the moment of the sunrise is not the same at all places it is to be noted that occasionally a tithi current at sunrise at one place may not be current at sunrise at another place. It is also possible for a particular tithi to be current at sunrise on two successive days. So when two successive days have the same tithi associated with them, the 1st day is called Tridina. It is also likely that a tithi may begin after sunrise and end before the next sunrise. In such a case a tithi is skipped over and that day is called AVAMA. The concept of good timing is provided by this calendar and one can take advantage of auspicious moments by avoiding when the creative forces of this planetary system are on the wane.

Note on the Tithi and Nakshatra ending times:

If a tithi or a nakshatram ends before sunrise on a particular day, then it is shown in the calendar with 24 hour format with previous day's time. For example, if a tithi ending time is 6:15am and the sunrise on that day is at 6:45am, then it is shown as 30:15 in the calendar.

A Message from the Founder, Chairman and Chief Priest of VEDA

I wish you all a healthy, prosperous, and happy New Year 2022 to all my dear and near devotees of VEDA, in the bay area, and rest of the country. 2021 continues to be a fear inducing year for day-to-day human life, similar to 2020. Many people across the world lost their friends, relatives, and great personalities in 2021. May their souls rest in peace in heaven. Due to Mahā Kāla Sarpa Dosha, virus related problems will be continued until 15th April 2022. The months of February, March and the first half of April 2022 will especially be challenging. There could be attacks from the viral fever, with its various names around the world. During this 75-day period, in addition to Corona Virus, we should also be careful with all five elements – Earth, Water, Fire, Wind and Space, as any calamity could strike the world. However, Corona Virus will be completely vanished from this world after August 30th, 2022. I request you all to take appropriate precautions and take care of yourself and your family, until then.

While the first half of 2021 was not favorable, the second half of 2021 was full of fortunes. We reopened the temple on June 23, 2021, with all events fully operational since then. Even though, we could not physically open the temple during this COVID-19 time, with God's grace, the worship all deities in the temple did not stop for not even a single day. The abhishekams and temple programs continued without any interruption. To make these programs accessible to devotees, we added live streaming of the temple events through Zoom and YouTube with temple channel. The live streaming of all temple events was set up and helped by VEDA temple President, Sri Mahadev Kolluru garu, Treasurer Pavan Piratla garu, Secretary Venkat Damerla garu and other temple management team members. Even during this tough time during this year, with the help from donors and devotees, we could conduct **Dhwaja Sthambha Pratishta** event successfully. Some additional internal modifications to the temple were also performed. How would we find the right Dhwaja Sthambham for the temple according to Dharma Sastra? That credit goes to Pillalamarri Krishna Kumar garu, who did a marvelous job in finding the right Dhwaja Sthambha. Under his guidance, we conducted Dhwaja Sthambha Prathishtha event. In the same program, the technical work in obtaining city permits, working with other committee members (Vice President, Sri Ram Bhupalam), was completely taken care in a devotional manner by VEDA Temple President, Sri Mahadev Kolluru garu. We show our gratitude to everyone who helped with the event.

Even in this critical situation with COVID-19, many devotees came forward and contributed to the temple's Corona Crisis Fund. I personally offer my blessings and pray to God to shower all the donors with wellness and good health. New volunteers are always welcome and are needed to support the temple's growth. We recently started a teenage youth committee, called *Your VEDA*, for ages between 13-20. I request teenage students to join the *Your VEDA youth group*. The VEDA General membership program that we introduced six years ago was very successful with several active members. I request more devotees to register with the VEDA membership program. I offer my humble gratitude to all of the previous members who helped the VEDA temple to run smoothly and grow. In 2020, we also started the VEDA Well-wishers Committee. My ambition is for this committee to grow with more members and to become an umbrella to VEDA in future, and forever.

Our goal has always to achieve and transform Vedic Education and Devotional Academy (VEDA) into a **VEDA University** educational program and a platform for local community and interested students, organized into various departments. As part of these grand plans, we already finished Chandi Saptasati classes, 12-week course on astrology classes. In addition, we have VEDA classes, Vishnu Sahasra nama bhashyam, Ramayana pravachanam, and Stotra classes for children ongoing. We also finished a 12-week course on astrology. In addition, we opened the Veda Bharati library in the temple premises.

Current VEDA priests Jagadish Sharma, Nagendra Sharma, Mruthyunjaya Sharma, Subrahmanya Sharma, Manoj Kumar Sharma, Hari Sri Krishna Sharma, Kartikeya Sharma, Pramod Kumar Sharma, and Pavan Kumar Sarma (Pachaka), Kancherla Balakrishna Sarma (Pachaka) are instrumental to temple's success and growth. This year, we plan to add three more priests to the temple to support growing temple needs. This year, Subrahmanya Sharma and Hari Sri Krishna Sarma did hard work at various alankārās at VEDA temple, with help from other priests. All the priests at the temple, along with the help from VEDA volunteers, ensure that this year's Devi Navarātri program was conducted with great alankārās, under the guidance of alankāra shikhara Jagadish Sharma Kodamanchili. This year, Hari Sri Krishna Sarma has taken major part in Devi Navaratri alankaras. All Priests and Pachakas did excellent work. During Ganesh Navaratri and Devi Navaratri in 2021, singers, dancers, and other artists from across the world, performed for VEDA temple through live streaming. These programs were coordinated by VEDA temple management along with Smt. Vani Gundlaapalli and other volunteers. These programs were conducted in an excellent manner, with many viewers from across the world. My humble gratitude to our VEDA Asthana Kavita Ksheera Sagara Paladugu Sricharan garu, who has been doing excellent service and providing guidance to the temple.

VEDA Annual calendar provides vital and essential details like Tithi, Vāram, Nakshatram, Varjyam, Rāhukalam, Durmūhurtam, Eclipse timings, auspicious days and times like excellent and average times, and star predictions required for us in our day-to-day personal needs, in a concise manner and for observing our daily rituals. It is always advised to consult your family priest or astrologer for muhūrtas for important samskāras like weddings, upanayanam, seemantham, gruha pravesam, etc. My vision is still to provide such priest services to the devotees and community through VEDA, with the unique combination of Vedic chants and puja to make devotees happy, prosperous, and successful in life. I convey my heartfelt blessings to Dr. Srinivas Vadrevu and family, who helped me with the yearly calendar preparation with dedication.

I express my humble gratitude to the VEDA president Sri Mahadev Kolluru garu, Vice President Ram Bhoopalam garu, Secretary Darmerla Venkat garu, Human Resources in-charge Ravi Koduru garu, and the rest of the management team, in addition to the VEDA board members. I also express my humble gratitude to Election Commissioner Rao Tallapragada garu, with the support from Bommakanti Venkat garu and Smt. Pillamarri Santa Kumari garu. During the challenging year in 2021, the management team provided the necessary support to conduct the temple events effectively with cooperation from other board members and office bearers. The hard work, commitment, and dedication shown by the Executive Committee and several new and existing volunteer members are instrumental in the tremendous growth of the temple, including the flowers team who worked hard to provide beautiful garlands to deities.

I pray to Lord Sri Satyanarayana Swamy to give blessings to all the VEDA Community.

Message from the VEDA President and Member of Board of Directors

Wish you all a very **Happy New Year 2022**. I begin by offering heartfelt thanks to our temple presiding deities for showering their blessings on us and ensuring our safety. 2020 & 2021 have both been phenomenally challenging years because of the global pandemic. With divine grace and helped by human tenets of resilience, scientific innovation, and empathy for each other, we have successfully navigated these difficult times.

Following the shutdown of non-essential services around March 13, 2020, we prioritized providing continued employment to priests and support staff and ensuring their safety. We launched Temple Videos Live YouTube channel, expeditiously installed high-bandwidth fiber network, and thanks to the efforts of Sri Pavan Piratla, Sri Hari Sastri, and temple priests, we streamed daily puja services to the devotees to follow from the safety of their homes. Happy to share with you all that our VEDA Temple Video Channel now has over 1,500 subscribers.

In 2020, we proactively launched the VEDA CoVID Relief fund (to fund Temple Operations) and the VEDA Corpus Fund (to strengthen temple financially). Thanks to the generosity of our donors, our timely fund-raising initiatives helped reduce the financial burden on the temple. We also successfully applied for Paycheck Protection Program (1st and 2nd loans), received Federal stimulus funds, and used them 100% towards priest payroll and benefits. We successfully also received waivers on the re-payments of both these PPP loans. Our forward-looking steps helped provide a solid fiscal foundation, helping run temple operations and payroll during these challenging 2 years. On 2020 Ugadi Day, we formally launched the **Vedic Educational Institute**, with Sri Marepalli NagaVenkata Sastri garu as Chairman, myself as Chancellor, and Sri Sricharan Paladugu as Dean. Since then, 150+ students have learnt different religious texts including Chandī Saptasathi, Sivananda Lahari, Vishnu SahasraNaama Bhashyam, BhagavathGeetha, AdityaHrudayam, Sri RamaRaksha Strotram, SankataNaasana Ganesha Strotram, and others. This is a **major milestone** in our long-cherished dream of transforming VEDA into a devotional and educational academy, imparting Vedic education to students of all ages (via online learning). In 2020, we also completed several infrastructure development projects including installation of a 48-camera HD surveillance system, new interior roofing and decorative tiles, improved interior lighting via skylights, elevated ceiling, and upgraded AV system to deliver an enhanced multimedia experience. Using these HD-cameras, our priests stream the daily puja services to devotees via our Temple YouTube Live Videos channel.

With divine blessings and building on the momentum of these successful projects of 2020, we achieved significant growth in 2021. I will now highlight some of these key accomplishments. Working with India-based shilpi, we completed the intricate and traditional designs for the Mukhadwaaram doors and had them shipped to USA. Our temple priest Sri Veluri Subramanyam, with support from other priests and volunteers, completed the Mukhadwaaram & Makutam design and installation. On the auspicious occasion of Sri Rama Navami (April 21, 2021), we held the **Mukhadwaaram consecration** (Samprokshana) ceremony, with the participation of all donors and devotees.

With Sri Rama Satyanarayana Swamy blessings, and much to the delight of our devotee community, we were able to successfully realize our collective dream of transcending VEDA to a **Punya Kshetram**. A core team comprising myself, Sri Pillamarri Krishnakumar, Sri Gopal Ajarapu, Sri Ram Bhoopalam, and Sri Pavan Piratla, with guidance from Guruvu garu and with the support of other VEDA members, worked tirelessly to procure the right wooden log that met the structural specifications, secured timely City permits, and successfully executed and completed the **Dhwajasthambam** installation for consecration during our Temple Anniversary Celebrations on July 9, 10, and 11. We have now also completed the Garudalwar shrine and Balipeetam. We should all take great pride for accomplishing this cherished dream project, **VEDA Dhwajasthambam**, and be thankful for being a part of VEDA's development and ascension to a **Punya Kshetram**.

In our efforts to empower VEDA members with the requisite tools of Vedic education, under the guidance of Sri Sastri garu and the commendable efforts of Sri Sreenivasa Rao Devarakonda, we inaugurated the **VEDA Bharati Library** on Ashada Purnima, 23 July 2021. With a significant and growing collection of Vedic literature, Upanishads, Suktams, Treatises and Commentaries, VEDA Bharati Library is intended to help nurture the growth of our Vedic knowledge. We have also successfully completed the MahaSikharam project, and performed the MahaSikhara Samprokshana (consecration) on October 10, 2021, during Devi Navaratri celebrations. We also conducted a unique **MahaVidya Parayana** program by Priest Pramod garu on that day. Good progress is being made on the design and manufacture of all the temple shrine doors, including the **Simhadwaaram** of Rama Satyanarayana shrine, and outdoor shrines of Sani, Navagrahas, and Nagadevata. These will all be completed during December - January, completing this phase of construction activities at VEDA.

Upon re-opening of the temple to the public in July 2021, we have successfully celebrated many festivals including Ganesha Chaturthi, Krishna Janmashtami, Devi Navaratri and Karthikamaasa Deeksha. Our Saree procurement team has done an amazing service by procuring 260+ sarees from India, despite CoVid situation, and making them available for devotees to sponsor during DeviNavaratri celebrations. The energy with which this team offered this service is truly commendable. Additionally, our Cultural lead, Smt Vani Gundlapalli did a commendable job coordinating online vocal and dance performances by artists worldwide, during major temple festivals in 2020-2021.

On behalf of all the devotees, I express my sincere thanks to Guruvu garu and the Temple Priests team for giving us a divine experience during the celebration of all religious festivals at VEDA, through their exemplary puja services, over past several years. I thank members of my Executive Committee (Sri Ram Bhoopalam, Sri Pavan Piratla, Sri Venkateswar Damerla, Sri Sreenivasa Rao Devarakonda, Sri Uppaji Kothapalli, Sri Ravi Koduri, and Smt. Vani Gundlapalli), Flower team (led by Smt. Jyotsna Tallapragada) and Food team (led by Sri Satya Mahidasan and Sri Gopal Ajarapu), all volunteers and their families, for their dedicated service to VEDA over the past 2 years, despite challenges posed by the pandemic.

I thank my teammates on VEDA Board of Directors – Sri Marepalli Nagavenkata Sastri garu, Sri Gopal Ajarapu, Sri Narayana Uppuluri and Sri Ananth Atmakuru, for sharing a collective vision and for their unequivocal support of all my proposals for VEDA Temple development during our 2-year Term in Office.

I offer my welcome to the new Board of Directors and new Temple Management team for 2022-2023 and encourage them to continue making great strides in taking VEDA forward, to better serve the devotees globally.

'VEDA' calendar is an everyday prasadam of Sri Rama Satyanarayana Swamy. It is the nitya-tapah-phalam of our honorable Guruvugaru, 'Vedasmaartajyotisha sanaatana dharma sthaapanaachaarya', Brahmasri Marepalli Nagavenkata Sastry garu.

It has complete and comprehensive astrological information of every specific day of the year, specially and meticulously prepared based on California timezone.

Auspicious and in-auspicious times w.r.t astrological positions are also given on a daily basis.

Various hymns on the Temple deities are provided, which describe the glory of the deity and prayers to get blessings from the deity.

'VEDA' temple App is also available for mobile devices. 'VEDA' calendar is available in the 'VEDA' App as well.

According to Sanatana dharma, just having a darshan of Panchangam, early in the morning and reading of the day's astrological details bestow the Almighty's blessings for that day.

We are really blessed to have guidance of a great Guru, Brahmasri Marepalli Nagavenkata Sastry garu, to lead the best life and obtain the knowledge and Punyam for Nirvana.

IMPORTANCE OF ANNADANAM

गजतुरग सहस्रं गोकुलं भूमिदानम्
कनकरजत पात्रं मेदिनी सागरान्तम् ।
उभयकुल पवित्रं कोटिकन्या प्रदानम्
न भवति समतुल्यं अन्नदानः समानः ॥

Krishna Yajurvedam says,
अन्नं न निन्द्यात् ।
अन्नं बहु कुर्वीत ।
अन्नं न परिचक्षीत ।
अन्नं प्राणमपानमाहुः ।

ANNADANAM is a sacred activity. In Hinduism, there is no better puja and ritual than feeding hungry living beings. **ANNADANAM** is **MAHADANAM** i.e. the greatest donation in Hindu religion and is an essential part of Sanatana Dharma tradition. There are numerous stories in Hindu scriptures that extol the glory of Annadanam – prominent being Goddess Parvati appearing as Goddess Annapurnaeshwari and feeding Shiva.

ANNAM PARA BRAHMA SWARUPAM - Food supports the body to attain Dharma, Artha, Kama and Moksha. Donors of Annadanam are considered as donors of Pranadanam. The person, who participates in this sacred Annadanam, will be blessed by divine Gods. It is said that glory, strength and fame will be acquired in Trilokas by Annadanam. The donor of Annadanam will get first entry in the heaven. Annadanam is performed for redemption of sins, to attain piety and to get speedy recovery from illness. The glory of family and holiness of a temple increases with each Annadanam. Annadanam can be performed on any auspicious occasions such as festivals, weekly abhishekams, in memory of your beloved ones or in celebration of your beloved ones.

Please avail the opportunity to perform Annadanam at your Sri Satyanarayana Swami Temple.

Details of Annadanam:

- During regular days (Laghu Prasadam) - \$151 (may have multiple sponsors)
- During special occasions
 - More than 500 people - \$1116 (one or two grand sponsors)
 - Below 500 people - \$501 (one or two grand sponsors)

Please register with the front desk or calling the temple at 408-971-7852/408-340-1744 or sending an email to pujaservices@siliconvalleytemple.net.

If the match between the bride's star and the groom's star yields a number greater than or equal to 18, then that match is considered to be auspicious.

Śubhakrut Nāma Saṁvatsara Nakṣatra Chakram:

Each number represents 4 months (three numbers comprise the whole year). Zero implies unhappiness for that period of four months.

If the total sum is odd, then the year will yield some happiness. If the total is even, that would imply average results in that year.
