This calendar provides auspicious times for various activities like starting business, buying various things, joining new jobs, matrimonial, births, closing deals and various day to day activities. It is always advised to consult your family priest or astrologer or the VEDA temple for muhūrthas for above and important samskāras like weddings, upanayanam, sīmantam, gruha pravesam etc. Since rāhukālam is not counted as a dosha in astrology, it is not considered for calculating auspicious times in this calendar. It is advised to observe rāhukālam, varjyam and durmuhūrtam for planning auspicious events.

Dear all, wishing you all a very happy new year.  
(VEDA President's Message can be found later in this calendar)

**Sri Padmanabham Tadeipalli**

Dear all, wishing you all a very happy new year. I am privileged and honored to serve the VEDA community. A big thanks to all the generous donors who contributed to VEDA without whom we would not be able to accomplish any tasks. Similar to every year, the major festivals are all celebrated drawing larger crowds towards the temple. The number of devotees visiting the temple has grown more than ever. This is sheer divine will. Gopala Ajjarapu garu and team executed the responsibility to meet their needs. Even more volunteers have participated this year.  
With satyanarayana swamy blessings and sastry garu guiding the management team, we had been able to succeed in the projects undertaken. The next major steps for the temple which I foresee is to expand parking infrastructure and to reduce waiting time in the line, during major festivals.  
My sincere thanks goes to my family for supporting my role at the temple. The final thanks and perpetual indebtedness to my parents.

**Sri Ravi Krishna Koduri**

Dear VEDA temple patrons,  
Wishing you all a delightful and prosperous new year 2026. On behalf of our temple board, would like to express my sincere gratitude and thanks to all our vedic priests, committed donors, service minded volunteers and our devotee community in giving us the opportunity in running this temple strong, overcoming several hurdles and reaching several milestones along the way. Under the divine guidance of guruvugaru and well within the principles of the temple "aagama", may all the veda vidhis, festivals, rituals continue to flourish this year too and that our Sathyanarayana Swamy devasthanam become the highest abode of worship for preserving and prevailing sanathana dharma for all the Hindu community, near and far.

**Sri Ravinder Ghankota**

Wishing you all a **Happy New Year** and my heartfelt best wishes for 2026!  
A sincere **thank you** to all our devotees for being such an integral part of our temple community. I hope to see you all in the coming year as we continue to seek the divine blessings of **Lord Satyanarayana Swamy** and **Rama Devi**.  
Under the guidance of **Venkata Sastri Garu**, our Board successfully completed the **Pratishthapana** of eight deities. We also had the privilege of performing the **Pushkarotsavam** and initiating the Dasa Dwaram Project as part of the **Alaya Sourabham** initiative.  
Once again, none of this would have been possible without our dedicated temple staff, volunteers, every devotee, and above all, the blessings of **Lord Satyanarayana Swamy** and **Rama Devi**.

## VEDA Temple Committee

## A Message from the Founder, Chairman, and Chief Priest of VEDA

Wishing all VEDA devotees in the Bay Area and around the world a healthy and joyous New Year 2026. With Swamy's grace, 2025 was a successful year; may you all continue to enjoy success and prosperity.

Significant developments are underway to enhance the temple's environment. The Ālaya Saurabham (the beauty and fragrance of the temple premises) project is continuing with a budget of 1.6 million dollars. Multiple projects are in progress as we await city approvals. As part of this effort, we are adding 20 Stambhas (traditional pillars) around the temple. The construction of the Swarnamaya Hamsa Tulika Talpam (Golden Cradle) for Swami has been completed at a cost of more than 3.5 crores of rupees. Although we did not receive full sponsorship, with Lord Satyanarayana Swamy's grace we completed the work. We now have daily Pavalimpu Seva in the new Talpam. Once the talpam for the temple is procured and arrives, we will perform Samprokshana (sanctification) and use it for Swami's Ekantha Seva, which will then become the nightly Pavalimpu Seva. A new project is also underway to construct 108 gold pendants (Golden Kasula Haram) for Swamy. So far, 90 pendants have been sponsored by devotees, and we await sponsorship for the remaining ones.

We have newly consecrated Vighraha Pratishthas (installations of deities) for Sri Gayathri Devi, Lakshmi Hayagriva Swamy, Lord Dhanvantara, Lord Dattatreya, Sri Madhvacharya, Kala Bhairava Vighraha, Garutmanta Vighraha, and a Bali Peetham. Many devotees sponsored and made the consecration event a great success. The full credit goes to the devotees, temple management staff, and all the priests, with Swami's grace.

This development is spearheaded by our current president, Sri Gopal Ajjarapu garu, and the board members Sri Tadepalli Padmanabham, Sri Ghankota Ravi, and Sri Ravi Koduri, along with Vice President Sri Cheemakurthi Sai Bhaskar. I am truly grateful to the board and Executive Committee members, and to the VEDA temple members, for their generous donations. May Sri Satyadeva's blessings be upon them.

The VEDA General Membership program, launched ten years ago, has been a success with many active participants. I encourage more devotees to join the VEDA membership, which is only \$301. Members receive the benefit of voting for board members and a complimentary archana every month. I am deeply thankful to all past members for their support in the smooth operation and growth of the VEDA temple. We are also planning to add a VEDA Advisory Board.

Our ambition is to evolve the Vedic Education and Devotional Academy (VEDA) into a comprehensive university program for the community and interested students, with various departments. We have completed Chandi Saptasati (three times) and finished two installments of the 12-week astrology course. Weekly Tuesday Sundara Kanda classes at 7:30 pm have begun, designed as a four-year course. Veda Sukta classes and puja classes are ongoing, and interested students can enquire at the temple to join. Additionally, VEDA conducts regular scripture and teaching classes for children. The Veda Bharati library, managed by Sri Devarakonda Srinivas Garu, is functioning well on our premises. I convey my respect to Veda Asthana Avadhana Brahma Paladugu Sricharan Garu for his dedication and providing guidance to the temple.

This year in 2026, we welcomed two new priests, bringing our total to 12 priests and 2 pachakas, with two more priests and 1 pachaka joining soon. I commend the dedication of our priests, led by Senior Priest Nagendra Sarma, and our Pachaka priests. Current VEDA priests are Nagendra Sarma (RNP), Manoj Kumar Sarma (MMK), Hari Sri Krishna Sarma (SKS), Yadavalli Pavan Kumar Sarma (YPK), Gundepudi Ravi Shankara Sarma (GRS), Gautama Sarma Kodamanchili (KGS), Praveen Sharma Shishtla (SPS), Ravi Naga Chandra Sarma Jammalamadaka (RNC), Kowtha Subrahmanya Sarma (KSS), Shankaramanchi Bhargava Sarma (BSS), and Mahankali Rajeshwara Sarma (MRS). Our Pachaka priests are Sagara Praveen Sarma (SPK) and Guru Rajarao P (PGR). I also acknowledge Mahipal Reddy (Front Office Manager), our excellent Shilpi Pichayya Mani, and temple sanitation services led by Julie, all of whom are instrumental to the temple's success and growth. Their collective efforts made this year's Devi Navaratri program a splendid success, with beautiful decorations guided by Nagendra Sharma and Hari Sri Krishna Sharma, along with all other priests. I am also grateful to Ravi Krishna Koduri Garu and Anand Kappagathu Garu for their years of service during the Navaratri festivities, and to the artists who performed magnificently at our temple. Our cultural activities, hosting of eminent scholars, and the recent Pravachanam and Dharma Prabodha by Brahmasri Samavedam Shanmukha Sarma garu have all contributed to our community's spiritual growth.

The VEDA Annual Calendar provides essential details such as Tithi, Vāram, Nakshatram, Varjyam, Rāhukalam, Durmūhurtam, eclipse timings, auspicious days, and other star predictions required for daily rituals and personal needs. I recommend consulting your family priest or astrologer for muhūrtas for significant ceremonies. We aim to continue providing such invaluable priestly services at VEDA, enriching lives with Vedic chants and rituals. I convey my heartfelt blessings to Dr. Srinivas Vadrevu and his family for their commitment to the calendar preparation.

I express my humble gratitude to the 2025 VEDA president, Chimakurthi garu, Treasurer Devarakonda Srinivas garu, Human Resources in-charge Duvvuri Surya Garu, and the rest of the management team, as well as the VEDA board members. I also thank the VEDA executive team, Election Commissioner Rao Tallapragada garu and team. The remarkable growth of the temple is due to the hard work, commitment, and dedication of the Executive Committee, alongside numerous new and longstanding volunteers. This includes the efforts of the flower team, who diligently create beautiful garlands for the deities, and the kitchen volunteers, who assist with vital arrangements. I also extend gratitude towards the many generous donors who have supported us.

I pray that Lord Sri Satyanarayana Swamy showers blessings upon the VEDA Community

### ANNADANAM

is a sacred activity. In Hinduism, there is no beaer puja and ritual than feeding hungry living beings.

#### ANNADANAM is MAHADANAM

i.e. the greatest donation in Hindu religion and is an essential part of Sanatana Dharma tradition. There are numerous stories in Hindu scriptures that extol the glory of Annadanam – prominent being Goddess Parvati appearing as Goddess Annapurneshwari and feeding Shiva.

#### ANNAM PARA BRAHMA SWARUPAM

Food supports the body to attain Dharma, Artha, Kama and Moksha. Donors of Annadanam are considered as donors of Pranadanam. The person, who participates in this sacred Annadanam, will be blessed by divine Gods. It is said that glory, strength and fame will be acquired in Trilokas by Annadanam. The donor of Annadanam will get first entry in the heaven. Annadanam is performed for redemption of sins, to attain piety and to get speedy recovery from illness. The glory of family and holiness of a temple increases with each Annadanam. Annadanam can be performed on any auspicious occasions such as festivals, weekly abhishekams, in memory of your beloved ones or in celebration of your beloved ones.

**Please avail the opportunity to perform Annadanam at your Sri Satyanarayana Swami Temple.**

#### Details of Annadanam:

- During regular days (Laghu Prasadam) - \$151 (may have multiple sponsors)
  - During special occasions
    - o More than 500 people - \$1116 (one or two grand sponsors)
    - o Below 500 people - \$501 (one or two grand sponsors)

### VEDA Temple Committee

## Message from the VEDA President and Member of Board of Directors

Dear VEDA Family,

Wishing you and your loved ones a Happy, Healthy, and Prosperous New Year 2026! We sincerely appreciate your support over the past year and look forward to your continued partnership in the future.

We are truly grateful to Lord Satyanarayana Swami and Rama Devi for their blessings and guidance, which inspire us to pursue a path of righteousness and love.

The year 2025 saw us embark on a new journey with the Pratishtha of Guru Dattatreya, Dhanvantri, Gayatri Ammavaru, Lakshmi Hayagriva, Madhvacharya, Kalabhairava, Garudavaru, and Bali Peetam. VEDA has earned the unique distinction of being the only temple outside India wherein all three Gurus—Adi Shankaracharya, Ramanujacharya, and Madhvacharya—reside in the same location. We also celebrated the Maha Kumbhabhishekam – Pushkarotsavam and Pavitrotsavam in June 2025 marking a major milestone in our journey to make VEDA a Peetam for one and all. In a fast-changing world, we continue to preserve our culture, traditions, and customs.

Every year, our celebrations of major festivals attract larger and larger crowds. A new section in our temple called “Sangamam” now houses rooms named Gaya, Prayaga, Hrishekesha, Haridwar, Nirvana, and Varanasi, where devotees can perform all Pitrukaryas. We have also begun Phase II of the Alaya Sourabham Project—the Dasa Dwaraa project—with entryways designed around the Ashta Lakshmis.

Continuing VEDA’s mission of preserving culture, promoting unity, and serving with compassion, one of our pillars remains Annadanam—offering food to all devotees with love and inclusivity. Our service extends beyond the temple walls: We collaborate with Hope for the Unhoused, where children prepare sandwich kits for those in need. We support the Milpitas School District, funding grants that promote STEM education and empower the next generation through learning. A special thank you to Sastri Garu, our priests, and Paachakas—their knowledge and dedication enrich our spiritual experience and strengthen our community.

As we move into 2026, we extend our heartfelt gratitude to our donors and volunteers, whose tireless support sustains temple operations. Let us continue to uphold the values of Dharma, Karma, and Seva, working together to build a vibrant and compassionate community.

A special thank you to my wife Padmapriya, our children Rishi and Rachana, and my loving mother Smt. Santa Devi for their unwavering support.

May we continue to walk this sacred path together with the blessings of Sri Rama Satyanarayana Swamy.

God Bless.

‘VEDA’ calendar is an every day prasadam of Sri Ramā Satyanārāyana Swāmy. It is the nitya-tapaH-phalam of our honorable Guruvugaru, ‘Veda Smartha Jyotisha Sanathanadharma Sthapanacharya’ Brahmasri Marepalli Naga Venkata Sastri garu. It has complete and comprehensive astrological information of every specific day of the year, specially and meticulously prepared for California timezone.

Auspicious and in-auspicious times w.r.t astrological positions of the day, grahana (eclipse) occurrences, details about kartari, moudhyam, tarabalam etc are also mentioned. Hymns describing the glory of all deities at the Temple and their prayers are presented. ‘VEDA’ app is available for mobile devices, ‘VEDA’ calendar can be accessed using this app as well.

Per Sanathana dharma, just having a darshan of Panchangam, early in the morning and reading the astrological aspects of the day bestows the Almighty’s blessings for that day. It is needless to say that during the pandemic time, it was the benevolence of Sri Ramā Satyanārāyana Swāmy, we could transcend the situation.

## Pañchāṅga (Almanac) Calendar – 2026

**Panchāṅgam:** Panchāṅgam provides five basic elements of astrology, *Tithi* (lunar day or time taken by the moon to move 12 degrees), *vaara* (a day from sunrise to sunrise), *Nakshatra* (the Zodiac constellation in which the moon is found from the particular day), *yoga* (half-day) and *karana* (angle between sun & moon). These are the main aspects calculated according to the Solar, Lunar, and Earth positions. These five elements play an important role in calculating the *muhurthas* (auspicious days) for any Hindu rituals. There are three prevalent methods of calculation for Panchāṅgam used in different parts of India. *Souramanam* (Solar calendar - prevalent in Kerala and Tamil Nādu), *Chandramanam* (lunar Calendar - prevalent in Andhra, Karnataka, Maharashtra, and other states of North India), *Baarhaspatyamaana* (Jupiterian calendar - which is said to be prevalent in North India).

**Panchāṅgam in India and US:** The lunar movements calculate Tithi and Nakshatra, the main angas of Panchāṅgam. When one Tithi or Nakshatram begins and ends, it happens at the same instance all over the world, which is called *Universal time*. Based on the time zones, the Tithi and Nakshatram will begin/end at different local timings in different parts of the world. Since India has a little variation in terms of sunrise/sunset, Panchāṅgam computed for one area of the country is generally applicable to the other parts of the country as well. But when it comes to other parts of the world, the same universal time should be translated into the corresponding local time in terms of longitude and latitude. As North America's PST is 13 ½ hours past Indian Standard Time, it is not appropriate to use the calendar prepared for Indian local time. Keeping these aspects in mind, our astrologers and scholars prepared Panchāṅgam calculated for our local time, i.e., PST & PDT. In the current Calendar, we have put all efforts into providing as many details as possible. For further details like Muhurthas, please consult our scholars personally or through email. Daily use of this calendar helps everyone to understand and monitor the prevailing planetary forces of the day. Accuracy of the above-mentioned Panchāṅgam attributes depending upon the Moon's motion is more crucial for the reliability of Panchāṅgam. Because Moon is the fastest among all the heavenly entities shown in traditional Panchāṅgas, Tithi, Nakshatra, Rasi, Yoga, and Karana depend on Moon's motion. There are three popular meanings of the term Panchāṅgam. Vedic astrology meaning is "five attributes" of the day. The five attributes are:

- Tithi:** Ending Moment (EM) of elongation of the Moon, the lunar day, the angular relationship between Sun and Moon (True Moon minus True Sun). One Tithi equals 12 degree difference between Moon and Sun.
- Nakshatra:** EM of asterism of the day, that is, the stellar mansion in which Moon is located for an observer on Earth. One Nakshatra equals 13 degrees: 20 minutes. There are 27 Nakshatra in 360 degrees.
- Rasi:** The zodiac signs or rasi - EM of the sidereal sign of the zodiac for the Moon.
- Tithi:** The tithi is the longitude of the Moon minus that of the Sun. First tithi (Prathama) begins when tithi is 0° and ends when it is 12°; 12° to 24° is dvitiya, 24° to 36° is Tritiya etc. 168° to 180° is Poornima, 180° to 192° is Dark fortnight Prathama 192° to 204° is Dvitiya. etc. 348° to 360° is Amāvāsyā. So, there are 30 tithis - 15 are called Suddha (Shukla) Paksha (Bright fortnight or waxing phase) the other 15 Bahula (Krishna) Paksha (Dark fortnight or waning phase). The tithi of a day is usually taken to be the tithi current at sunrise on that day. Since the moment of the sunrise is not the same at all places it is to be noted that occasionally a tithi current at sunrise at one place may not be current at sunrise at another place. It is also possible for a particular tithi to be current at sunrise on two successive days. So when two successive days have the same tithi associated with them, the 1st day is called Tridina. It is also likely that a tithi may begin after sunrise and end before the next sunrise. In such a case a tithi is skipped over and that day is called AVAMA. The concept of good timing is provided by this calendar and one can take advantage of auspicious moments by avoiding when the creative forces of this planetary system are on the wane.

**Note on the Tithi and Nakshatra ending times:**

If a tithi or a nakshatra ends before sunrise on a particular day, then it is shown in the calendar with 24-hour format with previous day's time. For example, if a tithi ending time is 6:15am and the sunrise on that day is at 6:45am, then it is shown as 30:15 in the calendar.

**Śrī Parābhava Nāma Saṁvatsara Rāśi Phalitam in 2026**

For those with not good prospects, perform pradakshinams to Lord Shiva or Lord Vishnu or Navagrahas or Naga Devatha 27 times.

**Meṣa Rāśi (Aeries) [Income: 11, Expenses: 5, Respect: 2, Dishonor: 4, Deity to be worshipped: Navagrahas and Planet Śani / Saturn]**

Those born under Meṣa Rāśi may face disturbances in business, unnecessary expenses, and moments of disrespect among peers. Family life may be unsettled due to Śani’s influence, and career may see some fluctuations. At the same time, there are good chances for childbirth, purchasing a car, and progress in personal life. Avoid starting any new or important work on Saturdays. Focus on strengthening family bonds and managing finances carefully. Perform 27 pradakṣiṇas to the Navagrahas every Saturday, especially dedicating seven consecutive Saturdays. Worship of Planet Śani will help reduce difficulties and bring stability.

Worshipping Śrī Durgā Devī brings protection, success, and strength to handle challenges.

**Karkataka Rāśi (Cancer) [Income: 2, Expenses: 11, Respect: 4, Dishonor: 7, Deity to be worshipped: Lord Subrahmaṇya Swamy]**

This year may bring minor health concerns until April, along with disturbances in work or business due to Rahu’s influence. Relocation or changes in workplace or residence are possible, either within the state, country, or abroad. These changes may initially feel unsettling but could lead to new opportunities. Pay attention to your health and embrace flexibility in handling transitions. Worshipping Lord Subrahmaṇya Swamy will provide stability, and protection against Rahu’s influence.

**Simha Rāśi (Leo) [Income: 5, Expenses: 5, Respect: 7, Dishonor: 7, Deity to be worshipped: Lord Śiva]**

Worshipping Lord Śiva will bring peace, clarity, and relief from difficulties.

**Kanya Rāśi (Virgo) [Income: 8, Expenses: 11, Respect: 3, Dishonor: 3, Deity to be worshipped: Lord Śiva]**

This year is favorable for business and career growth. There will be financial gains, help from relatives and friends, and recognition from society. Worshipping Lord Śiva will ensure continued prosperity, good relationships, and success in ventures.

**Tula Rāśi (Libra) [Income: 5, Expenses: 14, Respect: 6, Dishonor: 3, Deity to be worshipped: Lord Hanuman]**

Tulā Rāśi individuals will experience excellent progress in both business and career. This is a year to take initiative and pursue your ambitions with confidence. Worshipping Lord Hanumān will provide courage, focus, and strength to overcome obstacles and ensure lasting success.

**Vrischika Rāśi (Scorpion) [Income: 11, Expenses: 5, Respect: 2, Dishonor: 6, Deity to be worshipped: Śrī Lakṣmī Devī]**

For Vṛścika Rāśi, life improves significantly after May, 2026. New ventures will succeed, bringing financial benefits along with opportunities to purchase houses and vehicles. Family pilgrimages are possible, and children will bring happiness and pride. The second half of the year is especially favorable, so use the earlier months to plan carefully. Worshipping Śrī Lakṣmī Devī will bring prosperity, abundance, and harmony in the household.

**Dhanur Rashi (Saggitareous) [Income: 14, Expenses: 11, Respect: 5, Dishonor: 6, Deity to be worshipped: Śrī Durgā Devī]**

The early part of the year may bring disturbances due to Rahu and Ketu, causing unhappiness until May, 2026. However, from June onward, career and business prospects will improve, bringing gains and progress. Use the first half of the year for planning by maintaining and patience and the latter half for execution of important work. Worshipping the Navagrahas and Lord Subrahmaṇya Swamy will reduce the negative effects of Rahu and Ketu and bring peace of mind.

**Kumbha Rāśi (Acquarious) [Income: 2, Expenses: 8, Respect: 4, Dishonor: 2, Deity to be worshipped: Śrī Lakṣmī Devī]**

Due to Śani's influence, this year may bring career disturbances, heavy expenses, and unsuccessful outcomes in legal cases. Relocation and travel are possible, and caution is needed while driving. Focus on careful financial management and avoid unnecessary risks in new ventures. Cultivate gratitude and positivity to maintain inner balance. Worshipping Śrī Lakṣmī Devī will provide stability, financial security, and peace in relationships.

**Meena Rāśi (Pisces) [Income: 14, Expenses: 11, Respect: 7, Dishonor: 2, Deity to be worshipped: Lord Śiva & Planet Śani]**

Mīna Rāśi individuals may face health issues, career disturbances, financial difficulties and potential relocation due to Śani's influence. Avoid lending money, as recovery may be difficult. Do not start major new ventures before June 2026 and instead focus on consolidating what you already have. Pay aVention to health and family well-being. Worshipping Lord Śiva with abhiṣekam on 11 Mondays and offering Tailābhiṣekam (sesame oil ritual) to Lord Śani will reduce hardships and bring relief.
